Mostly Sunny Herb Streifer, 2003-08 Herb Streifer was born in the Bronx in 1915 an area where upward aspiring immigrants Jewish Italian and Irish went to escape the ghettos of the lower East Side When his father died in 1930 at the beginning of the Great Depression Streifer was fifteen He and his siblings helped their mother run the family grocery in Elmhurst Queens through the depression years Cash became so tight they had to give up their large apartment and move to the back of the store Once Streifer finished high school he continued working and went to City College nights He graduated in 1941 with a BS just in time to be drafted into the army Streifer married during WW II and after the war earned an MBA by night at NYU and started a family From these experiences his wry humor and an appreciation for a great anecdote the stories came

Mostly Sunny Janice Dean, 2019-03-05 A NEW YORK TIMES BESTSELLER Sometimes you have to make your own sunshine When Janice Dean debuted on Imus in the Morning she was bubbly clever and charismatic When Imus mocked her intelligence and looks she gave as good as she got She had achieved the dream she'd had since kindergarten being a reporter on TV So why wasn't she happy She had just moved to New York from Canada with no family no friends and no boyfriend Her boss was a notorious jerk and the gap between her on air persona and real life had never been bigger In the decade that followed how did she turn it all around Now she is the beloved full time meteorologist on Fox and Friends surrounded by wonderful people and has a line of children's books and a beautiful family When she was diagnosed with multiple sclerosis she was ready She survived attacks of adversity and a business controlled by ruthless men She knows how love counts your blessings and having a good therapist can get you through more than you would expect In this honest yet optimistic book Janice reveals obstacles she's faced that could have severely impacted any professional woman's career from online trolls to health issues to abusive and sexist bosses In *Mostly Sunny* she talks about it all including the fateful meeting with her firefighter husband after he lost his colleagues on 9/11 and how the pressure on women in television led her to a cosmetic procedure that could have ended her career But no matter what storms blow her way Janice refuses to let setbacks and challenges rain on her parade or cloud her outlook Thanks to supportive coworkers and an upbeat attitude she's mastered turning countless losses into victories The funny sweet and wise Janice Dean you see on TV is now the real Janice Dean and she's on every page of her book sharing her secrets and making your own forecast a little brighter

Mostly Sunny Jamie Pope, 2018-09-25 When trauma shapes your life how do you risk making a change and finding love As a child Sunny Gibson was abandoned by her mentally ill mother who left no trace behind Now a social worker Sunny is dedicated to helping children find loving homes though she's still haunted by the past So when she finds clues that her newest charge might be her younger sister she sets out to track down the little girl's mother But the powerful attorney she needs for the search is proving as inexplicable and distant as he is irresistible From pro football player

to high powered lawyer Julian King has succeeded at everything he's aspired to But he still needs to make partner Not only does he know nothing about family law Sunny can't even pay him If only her irrepressible caring and sweetness wasn't drawing him much too close or making him hunger to keep her in his life And as wrenching remembered pain on both sides threatens to shatter the delicate trust he and Sunny begin to forge they will need more than courage to face down their pasts and seize forever together Praise for Jamie Pope's *Hope Blooms* Beautifully written a story you won't forget Kristan Higgins New York Times bestselling author **Climatological Data, Arizona** United States.
