## **Complete Workbook Romantasy Saga:**

**The Series Blueprint** Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon: one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner. By Book Three, *The Series Blueprint* is your long-range guide to building a series that actually works, from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over; choose the right series structure for your genre, audience, and goals; build book-level arcs that serve a bigger long-form story; decide between saga, episodic, or hybrid models with confidence; track character growth, worldbuilding, and continuity without overwhelm; balance creativity with strategy without killing your spark; finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books, it's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

Ryann Carroll has just run into the guy who saved her life ten years ago. You might think she'd be happy to see him again. Not exactly. She's a bit underdressed as in skinny dipping, and he's not supposed to exist. Lad knows the law of his people all too well. Don't get careless and don't get caught. It's allowed his race to live undetected in this world for thousands of years, mentioned only in flawed and fading folklore. Lad's never been able to forget about Ryann since that night ten years ago. When he sees her again, his fascination re-ignites and becomes a growing desire that tempts him to break all the rules. He isn't supposed to even talk to a human, much less fall in love with one. And the timing is atrocious. The Assemblage is coming, the rift between the Light and Dark is widening. Lad may have to trade his own chance at happiness to keep the humans, especially Ryann, blissfully ignorant and safe.
