Murder in the Cards Paige Sleuth, 2018-07-01 Tiffany Swanson doesn't want to solve murders she just wants to play poker. But when she sees a crime scene through the eyes of one of her opponents she finds herself all in to catch a killer. Tiffany Swanson envisions big pots and big profits on her first day as a professional poker player. What she gets instead is the inside scoop to an unsolved murder. The image of the dead man comes to her in a flash when she bumps into the victim's brother and picks up his memory of the crime scene. He's in Las Vegas with his buddies celebrating his last weekend as a bachelor. Except right now he's doing more begging than celebrating as he tries to convince Tiffany to do some amateur sleuthing and help bring his brother's killer to justice. Tiffany intends to do nothing of the sort. She's not a police detective. She's not a private investigator. She's not even a true crime aficionado. And she's definitely not telepathic or so she's desperately trying to tell herself before she becomes another family black sheep like her kooky Vietnamese aunt Tuna. But all evidence indicates otherwise. And if there's a teeny tiny chance she can help solve this homicide doesn't she have an obligation to try? Hijinks and hilarity ensue when Tiffany reluctantly agrees to take on the case. But she's only got one weekend to figure out whodunit before all the suspects flee town taking their deadly secrets with them. keywords: paranormal cozy mysteries cozy murder mystery series amateur female sleuths whodunit mysteries set in big city USA mystery ebooks for animal lovers animal rescue ebooks contemporary cozy mystery ebooks cozy crime mystery books humorous crime whodunit murder mystery books starring women sleuths kitty mysteries humorous escapist fiction cold case homicide unsolved police investigation ebooks featuring amateur detectives criminal investigations with feline sidekicks cozy mystery series set in Las Vegas animal stories humor and hijinks Sin City fiction starring gumshoe women sleuths murder mystery whodunits women gumshoe detectives who solve crimes pet cozy mysteries quick uplifting mystery reads mysteries with cats female professional poker players novice women sleuths with rescue cats psychic cozies fun telepathic cozies cozy mystery that needs solving charming mystery and thriller books murder mystery ebooks clean mystery series casino mysteries felines in fiction detective books with happy endings series that can be read as stand alones amateur women sleuth detective cozy murder mystery that needs solving closed circle of friends suspects Las Vegas Strip settings feisty family drama dog cozy mysteries Asian American female detective ownvoices mixed race heroine animal cozy mystery fiction featuring cats and dogs metropolitan amateur investigators and female detectives whimsical amateur investigator short reads novice detective series with standalone storylines amateur detective series contemporary murder mystery ebook dog and cat cosy mysteries set in the United States American cosy murder mystery series USA kitty cozies mystery whodunits criminal mystery ebooks cozy murder mysteries featuring cats cozy criminal mysteries cat and animal cozies animal mysteries with big city settings fictional felony homicide investigations gumshoe sleuth ebook humorous ebooks for adult women kit lit mysterious criminal suspects suspicious death killing lighthearted animal cozies mystery books for adult women likable women detectives small

[The Complete Guide to Writing & Publishing Your First e-Book](#) Martha Maeda, 2015-02-06 The advent of Amazon's Kindle in 2007 allowed millions of writers to make the leap from paper to the electronic screen. Several eReader competitors recently joined the ring introducing products such as the Apple iPad, Barnes & Noble Nook, the updated Sony Reader, and Samsung Papyrus. The publishing world is experiencing a revolution with these electronic readers and you can catch up to speed by learning the ins and outs of publishing with this low cost high profit publisher. [The Complete Guide to Writing Publishing Your First eBook](#) is a guide for anyone who's dreamt about becoming a published author and is intrigued by the profitable new prospect of ePublishing but didn't know where to start. eBook sales hovered around 500 million at the end of 2009 and are steadily climbing. If you're passionate about writing and using new technology to market yourself and your work, this book will explain how you can do what you love and increase your earning potential. Start off with understanding what an eBook is and the differences between traditional and digital publishing and the benefits involved. You will identify and learn the details of more than 15 eReaders including the three top selling Kindle, Nook, and Sony Reader. You will employ the basics of analyzing your audience, brainstorming, writing, editing, and marketing according to the type of eReader. You will learn the process of getting your book published, how to change or alter the format or style of your book to match the necessities of the eReader, and how to optimize the format of any text for e-reading. We spent dozens of hours interviewing writers who are experts in the art of digital publishing to provide a complete overview of everything you need to know about publishing your eBook. Not only will you learn how to upload your work through an eReader, you will also hone your writing skills with tips, writing exercises, and writing resources. You will learn how to target your book to the right demographic and what you can do to promote your book in online inventories. You will learn the basics of viral marketing, promotion, SEO, and building a business with digital publications. You will learn how to work with your eReader to produce innovative content and you will learn how to monitor for updates to the electronic publishing industry. No matter what your goals are, you can start publishing from your home with eReader technology.
