Reality and Idea in the Early American Novel David H. Hirsch, 2021-03-22 No detailed description available for Reality and Idea in the Early American Novel *The Voices of Romance* Ann Dobyns, 1989 This study focuses on techniques of romance characterization and through stylistic analysis compares speech characteristics of parallel characters in Thomas Malory's *Le Morte Darthur* Philip Sidney's *New Arcadia* and Emily Bronte's *Wuthering Heights* **The novel of sentiment and the Gothic romance** Ernest Albert Baker, 1929

William Morris and the Idea of Community

Anna Vaninskaya, 2010-10-12 The great polymath William Morris and his contemporaries and followers from H Rider Haggard to H G Wells are the focus of this study. Anna Vaninskaya draws upon a wide array of primary sources from working class fiction and articles in fringe socialist newspapers to historical treatises, autobiographies and diaries in order to explore the many ways Victorians and Edwardians talked about community and modernity. Vaninskaya's narrative moves from the realm of romance bestsellers and sniggering reviews to debates in weighty historical tomes and then to the headquarters of revolutionary parties to street corners and shabby lecture halls. She demonstrates how in each domain the dream of community clashed with the reality of the modern state and market *The Idea of the Novel in Europe, 1600-1800* Ioan Williams, 1979-05-24

The Idea of Europe in Literature Susanne Fendler, Ruth Wittlinger, 1999-09-11 The relevance of culture has recently enjoyed increasing recognition for the study of European integration and a European identity. Appeals to a common European culture as well as appeals to different national cultures have been used respectively as a means to pursue political ends. Paying tribute to literature's role as an important constituent part of a culture this collection of essays explores literary representations of Europe and its nation states and should be of particular value to anyone who is interested in cultural, political or literary studies in the European context *The Idea of Tragedy in the Drama of the English Romantic Poets* John Michael Cawley, 1941

The Idea of the PhD Frances Jennifer Kelly, 2016-12-19 The Idea of the PhD The doctorate in the twenty first century imagination analyses the PhD as it is articulated in diverse areas of contemporary discourse at a time in which the degree is undergoing growth, change and scrutiny worldwide. It considers not just institutional ideas of the PhD but those of the broader cultural and social domain as well as asking whether and to what extent the idea of the Doctor of Philosophy the highest achievable university award is being reimagined in the twenty first century. In a world where the PhD is undergoing significant radical change and where inside universities doctoral enrolments are continually climbing as the demand for more graduates with high level research skills increases this book asks the following questions: How do we understand how the PhD is currently imagined and conceptualised in the wider domain? Where will we find ideas about the PhD from its purpose to the nature of research work undertaken and the kinds of pedagogies engaged to the researchers who undertake it and are shaped by it? International in scope this is a text that explores the culturally inflected representation of the doctorate and its graduates in the imagination literature and media. The

Idea of the PhD contributes to the research literature in the field of doctoral education and higher education As such this will be a fascinating text for researchers postgraduates and academics interested in the idea of the university **Sexiness and Gender in Gothic Youth Culture.
