The Silver Dollar W.R. Benton,2018-05-18 An intriguing new series following the trails of the Wild West It all starts with a coin but not just any coin In 1835 a dollar can mean life or the slow death by starvation for a young New Orleans street urchin When the lad spots the silver dollar in the debris littering his path he feels it s the luckiest day of his young life But this coin has a history and a future that doesn t include the boy For a while the urchin and the coin s paths will intersect and the union will spark an adventure the size and scope of which the young man could never have dreamed But a coin is not meant for keeping As the silver dollar leaves one set of hands for another owner the journey continues From far flung western frontiers to the Great Plains this one coin will touch many lives a mountain man a soiled dove and it will witness unspeakable violence and events of touching humanity For many the coin will become their savor a single silver drop in their empty well of hope For others the coin is their last earthy possession a token of good luck passed on to others for new guardianship Yet at each new pocket or purse the scope and breath of the coin s path will astound you The Silver Dollar is an epic new western action tale like nothing you ve ever read before unique heartbreaking and packed with the historical details you have come to expect from best selling author WR Benton **Classified English Prose Fiction** San Francisco Public Library,1891 **Numismatist and Year Book** ,2004 Vols 24 52 include the proceedings of the A N A convention
