Roberts, 2015-07-10 Excerpt from *The Mormon Doctrine of Deity the Roberts Van Der Donckt Discussion to Which Is Added a Discourse Jesus Christ The Revelation of God* In nothing have men so far departed from revealed truth as in their conceptions of God Therefore when it pleased the Lord in these last days to open again direct communication with men by a new dispensation of the gospel it is not surprising that the very first revelation given was one that revealed himself and his Son Jesus Christ A revelation which not

only made known the being of God but the kind of a being he is The Prophet Joseph Smith in his account of his first great revelation declares that he saw two personages resembling each other in form and features but whose brightness and glory defied all description One of these personages addressed the prophet and said as he pointed to the other This is my beloved on hear him This was the revelation with which the work of God in the last days began The revelation of God the Father and of God the Son They were seen to be two distinct personages They were like men in form but infinitely more glorious in appearance because perfect and divine The Old Testament truth was reaffirmed by this revelation God created man in his own image in the image of God created he him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
