Latayne Colvett Scott

Mormon Mirage:

The Mormon Mirage Latayne C. Scott, 2009 Three decades after leaving the Mormon faith Latayne Colvett Scott looks back to her original journey out of Mormonism and the reasons why she left Revised and updated this third edition of *The Mormon Mirage* presents both a fascinating inside look at Mormonism and new and formidable evidence against its claims and teachings *The Mormon Mirage* Latayne Colvett Scott, 1979-01-01 *The Mormon Mirage* Latayne C.

Scott, 1982-01-01 A former Mormon now Christian compares the beliefs of Mormonism and Christianity and explains why she converted **Another Gospel** Ruth A. Tucker, 2004 Ruth A Tucker's book is a comprehensive survey of all the major

alternative religions in the United States including the new groups since the 1960s *Almost a Mormon* Adam

Dommeier, 2018-05-03 One family vacation to Utah back in 2002 changed Adams entire summer One Mormon girl in his 9th grade English class altered his path over the following year One book changed his outlook on faith One true church had him hooked Suddenly one unexpected dream from God transformed the course of his entire life Join Adam on his quest from Mormonism to the one true Faith Christianity and you'll soon realize your own story is about to unfold before your very eyes You're about to meet and encounter the One True God **It's Time** Cindy Prince, 2013-09-19 Does it really make a difference to God how we worship Him Do you think He cares Is there a way to know for sure Should evidence matter when we're walking by faith Is the God who created the universe still in the business of changing lives Its Time is the story that answers Yes to all of the above It is the journey of a family of seven devoted to a religion they loved and had no intention of ever leaving but God had other plans Dive in and discover how God opens the door scoops them up and redirects their path how the Spirit uses everything from casual conversations to major life events to reveal His truth and guide their journey how He uses seeds that had been planted long before the day He said Its time and how He repeatedly answers the prayers they dared not express in the way that only He could have known their hearts needed leading them to the grace of His unconditional love Let it encourage enlighten and remind you that we serve a mighty God He cares He calls and He has given us everything we need to respond through His Word and His Spirit and He doesn't stop there Trust in the Lord with all thine heart and lean not unto thine own understanding In all thy ways acknowledge him and he shall direct thy paths Proverbs 3:56 **Scoffing**

at Scripture Frank Bolger Kelly, 2011-02 A former Roman Catholic Frank Bolger Kelly has long wondered why thinking humans as a whole in the 21st century have not yet been able to disenthral themselves from the demonstrable falsehoods and sectarian nonsense of organized religion A few years ago Kelly decided to sit down with the sacred scriptures of several of the world's major religions the alleged bedrocks of these various creeds in a last ditch effort to achieve holy inspiration Instead he became wholly disenchanted and Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion is the result Far from representing that all elusive Word of God creedal scripture the world over it seems to Kelly merely cloaks the tribal agendas and cultural designs of the world's priestly and virtually all male elites With the

general reader in mind the author has grouped together a series of compact discussions of religion and scripture for cross cultural comparative reference Kelly's intent is to facilitate critical analysis of the world's holy writ and in particular to encourage younger skeptical readers of a secular mind to confront the doctrinal scriptural and ritual absurdities of those faiths into which they were born and continue to be indoctrinated Frank Bolger Kelly grew up in an Irish Catholic family in the Bronx New York matriculated to a noted Jesuit college in New England and subsequently did time at a prestigious non sectarian institution of higher learning in the Midwest It was during his enlightening time at the latter that Kelly first began seriously to question not only his own religious upbringing but the scriptural bases of all the world's major religions Kelly was quickly convinced that the vast majority of the faithful the world over commoners like himself just might reconsider their religious roots and motivations in a new light if they actually bothered to immerse themselves for a time in their own sacred scriptures rather than merely fake familiarity with them Actually to read scripture in all its antiquated tendentious sectarian absurdity Kelly reasoned is to take a first giant step in renouncing irrational creeds of all kinds Thus was born *Scoffing at Scripture A Commoner Reads the World's Holy Writ and Rejects Traditional Religion* a book from which the author hopes the open minded reader will draw a secularly pure spiritual sustenance **The Young Woman's Journal**, 1908 *Everything You Ever Wanted to Know about Mormonism* John Ankerberg, John Weldon, 1992 This definitive work covers every aspect of the history beliefs and practices of this influential American religious sect An indispensable one volume library on the subject *Everything You Ever Wanted to Know about Mormonism* comprehensively traces the roots of Mormonism and examines all of its major doctrines **After Mormonism, What?** Latayne Colvett Scott, 1994 **Latter-Day Cipher** Latayne Scott, 2009-04-01 When rebellious Utah socialite Kirsten Young is found murdered in Provo Canyon with strange markings carved into her flesh and a note written in a 19th Century code questions arise about the old laws of the Mormon Church Journalist Selonnah Zee is assigned the story which quickly takes on a life of its own Even before the first murder is solved several more victims appear each one more mysterious than the last Meanwhile Sedonnah is distracted by her mother's onset of Alzheimer's and her sudden attraction to the mysterious Salt Lake City police chief who is investigating the murder Adding to a slew of other distractions Selonnah's cousin Roger has recently converted and is now a public spokesperson for the Mormon faith But paradoxically Roger's wife Eliza is struggling to hold onto the Mormon beliefs of her childhood If something is really from God she wonders why does it need to be constantly revised Could the murderer be asking the same questions And most importantly will they be able to stop him before he commits his biggest crime taking out a Mormon landmark and dozens of sightseers *Cyclopædia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, 1894 *Revisiting Thomas F. O'Dea's The Mormons* Cardell K. Jacobson, John Patrick Hoffmann, Tim B. Heaton, 2008 Revisits the life and work of Thomas F O Dea author of a landmark social science treatment of Mormon society and culture offering new insights about the LDS Church and its members *Under the Banner of the Mormon Code* Latayne

C. Scott, 2022-06-17 Fact based literary novel by an award winning writer and expert on the Mormon faith Journalist Selonnah Zee is assigned to cover a murder in Utah where the beautiful corpse has strange markings carved into her flesh Within days more bizarre crimes appear accompanied by disturbing symbols and clues Selonnah's cousin Roger is a recent convert to Mormonism and a spokesman for the LDS church but his wife Eliza like other awakening Mormons is reading books that challenge her dearly held childhood faith As Selonnah Roger and Eliza hurtle toward crises of faith the murderer is making his own stand to prove his adherence to the Mormonism of Brigham Young and Joseph Smith Who might be the next victims PRAISE FOR THIS BOOK Involves the reader not only in a page turning murder mystery but also in the struggles of those who must face their own shaken beliefs Christian Retailing Top Pick Scott's protagonists are believable and her faith is woven throughout the story an integral thread that holds it all together Yet the book never stoops to shallow preachiness Instead we see real people struggling with their beliefs and faith Against this backdrop Scott has devised a rousing good mystery Add to that the fascinating glimpse into the secret and hidden practices of the Mormon Church and you have a compelling read that I highly recommend The Novel Bookworm A thought provoking premise written with finesse Many of the descriptions are genius making me reread them to savor the unusual placement of words The characters are believable with great depth Lena Nelson Dooley author and reviewer an ingenious new take on the religious thriller Well written and highly suspenseful it opens a door onto a world few of us know I highly recommend it Scott is an author to watch Evan Marshall bestselling author Scott stays balanced by blending the bizarre with a healthy dose of compassion and empathy uncovering but not judging leaving you feeling as if you've been somewhere mysterious and special Author Bonnie Grove This is an updated edition of Latter Day Cipher previously published by Moody Press **Journal of Mormon History**, 2008 **Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature** John McClintock, 1876 Dialogue, 1988 A journal of Mormon thought Brigham Young University Studies, 1981 **Angels of Deceit** Richard Lee, Edward E. Hindson, 1993 This book examines the teachers and leaders behind the cults their extrabiblical revelations and interpretations Using graphic information powerful insights and compelling personal drama this intensive probe of false prophets and their followers will alert readers to the growing danger of spiritual deception **Directory of Religious Organizations in the United States** J. Gordon Melton, 1993
