Mormonism Changes Contradictions And Errors:

Mormonism John R. Farkas, David A. Reed, 1995 For those unfamiliar with Mormonism here is a brief history and a look at the religion's key teachings Farkas and Reed point out what they believe to be the myriad inconsistencies errors and absurdities of Mormonism Would be evangelists will discover a strategy that paves the way for the ultimate goal sharing the Gospel *Reasoning from the Scriptures with the Mormons* Ron Rhodes, Marian Bodine, 1995-07-01 Have the Mormons ever left you unsure of what to say Their arguments are convincing their teachings seem indisputable and their stand on what they believe is firm How can you effectively communicate to the Mormons that their gospel does not match up with the Bible One of the best ways is to ask penetrating questions Cult experts Ron Rhodes and Marian Bodine will help you understand the main points of Mormonism and discover where it falls short of God's truth They then equip you to ask strategic questions that challenge the Mormon claim to be the only true church the reliability of Mormon prophets the authenticity of the Book of Mormon Jesus supposed visit to ancient America the Mormon view of God Jesus and the Holy Spirit and much more You'll find Reasoning from the Scriptures with the Mormons a valuable guide to responding to Mormons with confidence

Mormons John R. Farkas, David A. Reed, 1997-04-01 Provides the basic tools Christians need to understand the non-Christian teachings of Mormonism and the information they need for witnessing to them *Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp, 2011-12-13 It's the Christmas season the most wonderful time of the year for most people in River City California But for Jehovah's Witnesses Lawrence and Brad it's a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom Whereas for Elders Skousen and Marshall two Latter-day Saint Mormon missionaries the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh-day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovah's Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book [The Little Cyclopedia of](#)

Mormonism ... John Danforth Nutting,1927 Reaping the Whirlwind John R. Pottenger,2007 As early as the sixteenth century the liberal democratic state has been forced to confront the question of religion in politics The result has been a tense and uncomfortable balancing act Today in the public square of liberal democracy a number of religious confessions and beliefs compete for attention In the American experience some sense of religious pluralism and relative social harmony has been maintained However for this relationship to prevail a tension must continue to exist one that balances the political and social pursuits of self interest with meeting the objectives of the common good In Reaping the Whirlwind John R Pottenger shows how this process began in the modern world and how societies attempt to manage this ongoing conflict The first part of the book lays the groundwork of his analysis by using examples from history to demonstrate the genesis of political and religious whirlwinds It goes on to explore contemporary case studies such as conflicts between Mormons and Evangelicals in the United States liberation theology in Latin America Islam and the state in Uzbekistan and radical Christian reconstructionism Pottenger believes that the formal institutions of liberal democracy should maintain this turbulence even as religious activism threatens to upset the balance He concludes by advocating religious liberty and recognizing the individual and social need for expression At the same time he maintains that the survival of liberal democracy requires that these religious traditions not dominate the public sphere **Building God's Own Country** John Stenhouse,Jane Thomson,2004 Southern Presbyterians communities of faith missionary encounters and gender are the major themes of 15 essays originally written by postgraduate history students at the University of Otago between 1975 and 2001 The topics include the Free Church settlement of Otago in 1848 53 Moray Place Congregational Church from 1862 to 1966 Mormons in New Zealand from 1854 to 1940 and an Anglican female priesthood in New Zealand *Subject Guide to Books in Print* ,1996 Everything You Ever Wanted to Know about Mormonism John Ankerberg,John Weldon,1992 This definitive work covers every aspect of the history beliefs and practices of this influential American religious sect An indispensable one volume library on the subject Everything You Ever Wanted to Know about Mormonism comprehensively traces the roots of Mormonism and examines all of its major doctrines **The Cumulative Book Index** ,1996 A world list of books in the English language *Evangelical Christian Anti-Mormonism in the Twentieth Century* Gary L.
