**Mormons Don't Want You to Know** Richard Benson,Cindy Benson,2011 Most Christians only see the public face of Mormonism thanks to their persuasive PR campaigns clean faced young people parents committed to family values and spectacular temples But what do Mormons really believe In this revealing book you ll learn their shocking doctrines like It s good to lie to protect the church There are millions of gods God was once a man and became a god We can become gods too Jesus and Lucifer were spirit brothers We all have an Eternal Mother God is a polygamist The Jesus of the Bible was a polygamist The Jesus of Christianity is NOT the Jesus of Mormonism Sins are forgiven through good works Salvation by faith in Jesus is utter nonsense Black people were cursed by God A group of gods helped Jesus form the earth Some sins require the shedding of your own blood You ll also read the moving testimony of former Mormon Cindy Benson She reveals from personal experience the ugly hidden side of Mormonism She was only eleven years old when her 53 year old father announced that a 15 year old girl must become his second wife Once you know what Mormons really believe you will be better equipped to witness to them Here is what Mormon leaders really taught their members and what the Bible has to say about it We believe this book will help you create burning questions instead of a burning in the bosom for Mormons you know And the Bible verses are right there to give you the answer

**Danites Research Secret Mormon Killers** , **Doorstep Bible Answering Mormons and Jehovah's Witnesses** David Reed,2013-03-01 How will you answer the Mormons or Jehovah s Witnesses at your doorstep They quote Bible verses to support their counterfeit gospel The DOORSTEP BIBLE Answering Mormons and Jehovah s Witnesses features footnotes explaining how Mormons and Jehovah s Witnesses twist the Scriptures and how to answer them on each point DAVID A REED served for a decade as a contributing editor of Dr Walter Martin s Christian Research Journal and has authored some twenty books on Bible topics including a dozen on Jehovah s Witnesses and Mormons His most popular on these two sects are Mormons Answered Verse by Verse Baker Book House andJehovah s Witnesses Answered Verse by Verse Baker Book House Also published in French Spanish Portuguese Polish Romanian

Faroese and partially in Arabic The DOORSTEP BIBLE Answering Mormons and Jehovah's Witnesses features a modern Bible translation with notes explaining the verses that Mormons and JWs love to quote out of context along with notes on other verses they hate to look at because the plain reading of Scripture proves their interpretations wrong The DOORSTEP BIBLE features the text of The Original Bible for Modern Readers TOB The TOB Bible version renders the divine name as Jehovah where the Hebrew name for God the Tetragrammaton occurs in the original manuscripts which is especially useful in responding to both Mormons and Jehovah's Witnesses A comparison with the JW New World Translation exposes the presumptuousness of JW translators who inappropriately added Jehovah where it does not appear in the original manuscripts such as at Romans 14:8 for example Moreover the appearance of the expression Jehovah God throughout the Old Testament disproves polytheistic Mormon claims that the name Jehovah and the title God Hebrew Elohim refer to two different Gods in their pantheon See the footnotes at Genesis 2:4 and Deuteronomy 6:4 Mormons and Jehovah's Witnesses are quite different theologically but quite similar in a number of other ways Theologically Mormons view the Father Son and Holy Ghost as three different gods believe that God the Father was once a man and believe that their church members will someday become gods too while JWs believe that the Father is God alone the Son is merely the first angel God created and the holy spirit which they do not capitalize is neither God nor a person but just a force that God uses to get things done However the two sects are very similar in a number of ways Both view theirs as the only true Church the restoration of true Christianity and all other churches as apostate false religions Both originated in the western New York Pennsylvania area of America during the 1800s Both send members door to door recruiting new members and spreading their message to your doorstep Both have produced their own Bible translations with key verses modified or added to fit their unique teachings Both give lip service to the Bible but actually put other publications above the Bible as their guide to belief and practice And most seriously both put members into an Old Testament style supposed relationship with God through an organizational hierarchy rather than a New Testament style personal relationship with God through the risen Christ Both sects usurp the role of Jesus as Lord Savior and Mediator by putting their organizational hierarchy in that role instead requiring obedience to the organization so it becomes their Lord making salvation dependent upon the organization so it becomes their Savior and placing the organization in the position of Mediator acting as God's spokesman or mouthpiece on earth today This volume will help you contend earnestly for the faith which was once for all delivered to the saints Jude 1:3 TOB Are the Mormons Teaching Fables Dr. Glenn Orr, 2023-06-23 **The Mormons, Or Latter-day Saints** Henry Mayhew, Charles Mackay, 1856
