THE SEARCH FOR THE MORTICIAN'S APPRENTICE

For the Love of Death

Morticians Apprentice

James T. Havel

Morticians Apprentice:

The Mortician's Apprentice Richard L. Perez, 2014-06-21 There has always been a mystique concerning the mysteries surrounding death especially those activities regarding the functions of those who become responsible for the examination treatment and disposition of the dead body The study of such matters is called Thanatology This book reveals the life of a person who from a very young age has experienced various facets of the death process including autopsies and mortuary operations This is an eye opening treatise on the various activities which surround the processing of a human body for its final disposition this book includes the description of the normal Autopsy done by regular pathologists who seek to learn more about disease as well as the Forensic Autopsy regarding deaths from unnatural causes such as suicide homicide accidental etc causes performed by a Medical Examiner s examiner The book further enters into the world of the mortician and the aspects of body management he she must perform There is also a discussion about various religious rituals which are the concern of the Funeral Director who must plan a proper service or memorial Body preparation is a major aspect of the morticians s work the book will describe the step by step process of this function and a discussion regarding caskets cremation urns a cemeteries and the various types of final disposition types is included This book is suitable for anyone considering a career in an aspect of thanatology or for anyone who has had the curiosity as to what actually happens behind those closed doors It also serves as a starting point for further discussion on death and dying It is an attempt to unlock the mysteries of the death business to help us to better understand and accept the fact that we are faced with the possibility of death regarding our family loved ones friends and even ourselves It reminds us of our own mortality and how we will prepare for the inevitable It is also a reminder that we can anticipate our own death and realize that there are people trained to care for our physical bodies and also a reminder that we should also prepare for our spiritual departure The last chapter of this book relates a different aspect of work in the mortuary Yes as in any occupation there are humorous things which occur while working in this serious business The book closes with a sequence of humorous stories surrounding the work of the author during his tenure in the thanatology business These stories are true as they occurred with the author but it is certain other people in this business can also relate humorous stories from their experiences
