**MOSCOW
OPTION**

An Alternative Second World War

Moscow Option

Scott Deloach

Moscow Option:

The Moscow Option David Downing,2013 This provocative alternative history looks at the Second World War from a new angle what might have happened had the Germans taken Moscow in 1941 Based on authentic history and real possibilities this unique speculative narrative plays out the dramatic consequences of opportunities taken and examines the grotesque possibilities of a Third Reich triumphant On 30 September 1941 the Germans fight their way into the ruins of Moscow and the Soviet Union collapses Although Russian resistance continues German ambition multiplies after this signal success and offensives are launched in Africa the Mediterranean and the Middle East Hitler's armies assured of victory make their leader's dreams reality and Allied hopes of recovery seem almost hopelessly doomed David Downing convincingly blends actual history with the stimulating world of alternate events The Moscow Option is a chilling reminder that history might easily have been very different

The Moscow Option David Downing,2025-08-30 On 30 September 1941 the Germans fight their way into the ruins of Moscow and the Soviet Union collapses Although Russian resistance continues German ambition multiplies after this success and offensives are launched in Africa the Mediterranean and the Middle East Hitler's armies assured of victory make their leader's dreams reality and Allied hopes of recovery seem almost hopelessly doomed This provocative alternative history looks at the Second World War from a new angle what might have happened had the Germans taken Moscow in 1941 Based on authentic history and real possibilities this speculative narrative plays out the dramatic consequences if certain opportunities had been taken and examines the grotesque possibilities of a triumphant Third Reich With a convincing blend of actual history and alternate events this fascinating book is a chilling reminder that history might easily have been very different

The Moscow Option David Downing,1980 **The Moscow Option** David Downing,1979-01-01

The Moscow Option-1942 Dale Cozort,2022-07-24 In this alternate history scenario Hitler makes a different choice in spring 1942 Instead of heading south toward the Caucasus he renews the German drive on Moscow That's a tough choice Moscow was the vital transportation and communications hub of the Soviet Union as well as an important symbol of Soviet power and while the Soviets pushed the Germans back from Moscow in their winter offensive the Germans were still far closer to Moscow than they were to the Caucasus oil fields On the other hand the Soviets expected a drive on Moscow and had built up formidable defenses in front of it Going after the Caucasus oil if it worked would conquer over 80 percent of Soviet oil but getting to those oil fields meant covering huge maybe impractical distances wearing down German men and machines and opening up long vulnerable flanks as the Germans discovered at Stalingrad The different decision leads to alternate World War II with ripples spreading to the Pacific even before the Germans move a single soldier with the course of the war diverging converging and diverging again as the fates of dozens of countries and factions throughout the world change The Moscow Option 1942 appeared as a serialization in The Best of Space Bats volumes 1 2 This volume simply brings those pieces together It is written for history lovers and is a description of a fictional world rather than a traditional

work of fiction with fictional characters and story arcs **The Moscow Option (Paul Dark 3)** Jeremy Duns,2012-04-12 Double agent Paul Dark must confront the ghosts of his past in order to save himself and the world October 1969 Moscow Paul Dark is a broken man A terrible mistake twenty four years ago led to him being recruited into Soviet intelligence but he has paid a heavy price for it Now locked up in a cell distrusted even by those he once served Dark has nothing for company but the ghosts of his past when he is woken in the early hours and taken to a secret location There he discovers that the Soviets believe they are about to face a nuclear attack by the West and are planning to strike first as a result Dark realizes at once that the truth of the matter involves the final days of the Second World War and the final mission he undertook as a loyal British agent Now the fate of the entire world rests on the shoulders of one man a traitor long past his best who is soon the subject of a massive man hunt in one of the most repressive regimes in history Dark needs to make it to a small island in the Baltic before it's too late and the clock is ticking Jeremy Duns is also the author of the acclaimed Spy Out the Land Song of Treason and Free Agent **HTML5 To The Point** Scott Deloach,2011-10-21 This easy to use and comprehensive book provides answers to over 140 HTML5 questions Each answer includes a description of the solution and sample code you can use in your documents The invaluable tips and tricks will help you get started fast and the quick reference tables of HTML5's new elements attributes and events will help you use HTML5 like a pro *Encyclopedia of the United Nations and International Agreements: T to Z* Edmund Jan Osmańczyk,2003 This thoroughly revised and updated edition is the most comprehensive and detailed reference ever published on United Nations The book demystifies the complex workings of the world's most important and influential international body Policy Studies Review Annual Ray C. Rist,1986-08-01 In the tradition of the Policy Studies Review Annual series Volume Eight continues to offer the best of recent writing and analysis in a number of policy relevant areas Indeed reflecting the shifting nature of policy debates and public attention Volume Eight has introduced seven entirely new substantive areas including such sensitive issues as the viability of the safety net information policy work and labor policy immigration policy and environmental policy The volume is also characterized by explicit attention to two critical aspects of the policy analysis craft the strengths and weaknesses of various methodological approaches and the role noneconomic factors should play in economic policy analysis Drawing from such public sector administrators as William Ruckelshaus and Eleanor Chelimsky academic policy analysts such as Martin Feldstein and Irving Louis Horowitz and two congressional support agencies CBO and GAO the volume provides the most timely and relevant assessments of current policy issues It also provides the reader with a framework within which to approach substantive areas as widely disparate as national security and health care The volume is an indispensable tool for those who seek to sort through the confusions and contradictions of present policy statements in order to gain a cogent view of how these and other issues are framed and what viable policy options are available Contents partial METHODS FOR POLICY ANALYSIS S Rosen S Tolchin D McCaffrey J Hall P Dommel S Kelman NONECONOMIC FACTORS IN ECONOMIC POLICY MAKING A Etzioni A
