Moscow: 1941 Janusz Piekalkiewicz, 1985 Soviet History, 1917-53 Julian Cooper, Maureen Perrie, E. A. Rees, 2016-02-06 This work presents eleven studies in the field of Russian Soviet economic and social history which have been specially commissioned as a tribute to Professor R W Davies Each chapter highlights a particular area of controversy and illuminates the process of policy formation in this critical period of Soviet development Together they provide an overview of the period 1917 1953 **German Ground Forces of World War II** William T. McCroden, Thomas E. Nutter, 2019-05-09 A groundbreaking and comprehensive order of battle for German ground troops in WWII from the invasion of Poland to the final defeat in Berlin An indispensable reference work for Second World War scholars and enthusiasts German Ground Forces of World War II captures the continuously changing character of Nazi ground forces throughout the conflict For the first time readers can follow the career of every German division corps army and army group as the German armed forces shifted units to and from theaters of war Organized by sections including Theater Commands Army Groups Armies and Corps Commands it presents a detailed analysis of each corresponding order of battle for every German field formation above division This innovative resource also describes the orders of battle of the myriad German and Axis satellite formations assigned to security commands throughout occupied Europe and the combat zones as well as those attached to fortress commands and to the commanders of German occupation forces across Europe An accompanying narrative describes the career of each field formation and includes the background and experience of many of their most famous commanding officers **Hitler's War in the East, 1941-1945** Rolf-Dieter Müller, Gerd R. Ueberschär, 1997 There is still a widespread assumption that the Second World War was won in the West when in fact the tide was first turned on the Eastern front This book written by two internationally known experts on the subject argues that Hitler's Ostkrieg was the central event of the global conflict between the Allies and the Axis powers However this is much more than a traditional military political history it deals with Nazi crimes and economic exploitation with the psychological war No less significantly this volume provides a guide to the extensive literature on the war in the East including largely unknown Soviet writing on the subject Indispensable for military historians but also for all scholars who approach this crucial period in world history from a socio economic or cultural perspective World War II Spencer C. Tucker, 2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the

individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research *"The Great Patriotic War"* Peter Tsouras,1992 *The Third Reich* Time-Life Books,1990 Chronicles the rise and eventual fall of Nazi Germany with their invasion of the Soviet Union *The Army Quarterly and Defence Journal* ,1986 *Encyclopedia of World War Two* Spencer Tucker,Priscilla Mary Roberts,2005 An unprecedented achievement in publishing a multivolume encyclopedic resource for both the general reader and specialist on the central conflict of the 20th century The Encyclopedia of World War II covers the entire scope of the Second World War from its earliest roots to its continuing impact on global politics and human society *The Rise and Fall of the Communist Revolution* Warren Hasty Carroll,1995 This magisterial study of international Communism presents the whole mighty drama of global socialism and Marxism from its pre Bolshevik origins through the establishment of a Communist empire over one third the world population to the shattering defeat of the Soviet state in 1991 A landmark work of history exhaustively documented and narrated in a compelling style *Armor* ,1987 **Heiner Müller's Wolokolamsker Chaussee** Pam Elaine Allen,1990 **Seventy Years of the Communist Revolution** Warren Hasty Carroll,1989 The American Bibliography of Slavic and East European Studies ,1987 **A Subject Bibliography of the Second World War, and Aftermath** A.
