The book of Deuteronomy is a call to obedience the proper response to God s faithfulness and love Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land Moses words proclaimed God s covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life We wonder How can we be faithful to God And how do we help our children and the people we lead to be faithful This book tells us how Moses tackled these challenges and as Paul confirms in the New Testament Deuteronomy serves as an example written down for our instruction 1 Cor 10 11 Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty five years of ministry to first generation Christians in Sri Lanka He offers concrete examples of how the truths contained in Deuteronomy can be applied and he teaches us that obedience is the necessary response to the God who loves and saves us Part of the Preaching the Word series Christian dogmatics, tr. by J.W.
