Carl Barrett

Moses Prince Servant Prophet:

Moses, Prince, Servant, Prophet Lillian Cantleberry, 1985 In this fictionalized yet biblically accurate account Moses emerges in his roles as prince servant prophet and deliverer of the Hebrew people from Egypt Godly Fear or Ungodly Failure? Michael Kibbe, 2016-05-10 A cursory glance at Hebrews critique of Israel's fear at Sinai in Heb 12:18-29 suggests that the author has misunderstood or manipulated his sources In the Pentateuch the appointment of Moses as Israel's mediator receives explicit approval Exod 19:9 Deut 5:28 while Heb 12:25 labels their request for mediation a refusal to heed the word of God This book argues that Hebrews use of the Sinai narratives resides on a complex trajectory established by four points the Sinai covenant according to Exodus the reenactment of that covenant according to Deuteronomy the call for a NEW covenant according to Jeremiah and the present reality of that covenant established by God and mediated by Jesus Christ The basis for Hebrews critique arises from its insight that while Israel's request established covenant from a distance Jesus demonstrates that true covenant mediation brings two parties into a single space The purpose for Hebrews critique lies in its summons to Zion the mountain on which Jesus sits at the right hand of God as the high priestly mediator of the new covenant *A Commentary on the Holy Scriptures: Minor prophets* Johann Peter Lange, Philip Schaff, 1876 **The**

Foundations of New Testament Christology R. H. Fuller, 2022-07-28 One of the key tasks of New Testament study is to construct a correct doctrine of the person of Jesus Christ which is central to the Christian faith In *The Foundations of New Testament Christology* R H Fuller fulfils this task through a close examination of the first century texts in both their Palestinian and Hellenistic contexts An exponent of the neo orthodox position that dominated post war scholarship in the field central to Fuller's argument is the traditional historical approach to New Testament criticism As Fuller sees it the Church's Christology was a response to its total encounter with Jesus not only in his earthly history but also in the Church's continuing life By emphasising the continuity between the historical Jesus and the witness and message of the early post resurrection church he offers a comprehensive and thorough survey of this most important facet of exegesis **God's Generation of Hope** Carl Barrett, 2024-11-27 In a day and age where society and culture are veering further away from the teachings of God's word in homes globally it is becoming more and more evident that there is a breakdown within the walls of family homes across this great land Undoubtedly these times of confusion in the home schools and communities are escalating each passing day creating more division and disheartenment With all the spiritual threats robbing people's children of Hope something within the walls of the home must change for the well being of these young ones today more than ever If parents and family leaders don't engage with their children and rein in these apparent issues they will continue to see a generation of people spiraling out of control This book *God's Generation of Hope* is going to reveal some heart wrenching and eye opening facts about how external forces are creeping inside the lives of families and creating a distance between the household and Almighty God Someone must take ownership immediately for the children's state of spiritual survival Parents action is
