Most Of Malcolm Muggeridge:

The Most of Malcolm Muggeridge Malcolm Muggeridge, 1966 England's bad boy essayist and critic uses his wit and iconoclastic talents to deflate a number of sacred cows Jesus, the Man Who Lives Malcolm Muggeridge, 2026-04-07 Muggeridge's masterpiece the greatest achievement of his life as a writer The London Times A stunningly insightful reflection on the life person and teachings of Christ In Jesus the Man Who Lives the celebrated British author Malcolm Muggeridge offers a meditation that was deemed by The London Times to be his masterpiece the greatest achievement of his life as a writer Muggeridge's portrait of Christ is at once deeply personal and universally accessible Beginning with the assertion that the coming of Jesus into the world is the most stupendous event in human history Muggeridge provides astute commentary on the events of Christ's life his teachings his parables his prophecies and his relationships Along the way he happily punctures many of the cherished myths held about Jesus and about itself by the modern self-satisfied largely post-Christian world With his trademark honesty and wit Muggeridge concludes that either Jesus never was or he still is I assert that he still is This new fiftieth anniversary edition proudly reintroduces Malcolm Muggeridge's profound spiritual study to a new generation of readers

Booklist**, 1967 **Conversion** Malcolm Muggeridge, 2005-02-18 From the book *What is a conversion* The question is like asking What is falling in love There is no standard procedure no fixed time No Damascus Road experience has

been vouchsafed me I have just stumbled on like Bunyan's Pilgrim falling into the Slough of Despond locked up in Doubting Castle terrified at passing through the Valley of the Shadow of Death from time to time by God's mercy relieved of my burden of sin but only alas soon to acquire it again From my earliest years there was something going on inside me other than vague aspirations to make a name for myself and a stir in the world something that led me to feel myself a stranger among strangers in a strange land whose true habitat was elsewhere another destiny whose realization would swallow up time into Eternity transform flesh into spirit knowledge into faith and reveal in transcendental terms what our earthly life truly signifies In November 1982 Malcolm Muggeridge was received into the Roman Catholic Church an event which attracted much attention and curiosity To Malcolm Muggeridge it signified a sense of homecoming of picking up the threads of a lost life Malcolm Muggeridge well known around the world in the latter part of the twentieth century as a journalist writer and media figure is still remembered as a vociferous unbeliever for a great part of his career But always he had had an awareness that another dimension existed that there was a destiny beyond the devices and desires of the ego and that earthly life could not be the end This book first published in 1988 and the last of his writing to be published in his lifetime is a personal statement of the history and development of his religious beliefs An important section relates to Mother Teresa of Calcutta latterly beatified and with expectations to becoming a Saint Her influence was perhaps the most powerful force leading this deeply thinking man to God and to the Roman Catholic Church He describes also the effect upon him of meetings with Alexander Solzhenitsyn a man whom he considers to be one of the greatest prophets of our time with a profound spiritual message for our turbulent world This moving testimony is not about the mechanics of becoming a Roman Catholic Rather it is about a series of happenings occasions of enlightenment that led one spiritually troubled man to find God It is a statement of belief which will fascinate all who are interested in the workings of the human mind and will inspire all who seek the Truth
