*Transnational and Postcolonial Vampires* T. Khair, 2012-11-14 Throughout the ages vampires have transgressed the borders of gender race class propriety and nations This collection examines the vampire as a postcolonial and transnational phenomenon that maps the fear of the Other the ravenous hunger of Empires and the transcultural rifts and intercultural common grounds that make up global society today

**The Truths of Monsters** Ildikó Limpár, 2021-03-18 As monster theory highlights monsters are cultural symbols guarding the borders that society creates to protect its values and norms Adolescence is the time when one explores and aims at crossing borders to learn the rules of the culture that one will fit into as an adult Exploring the roles of monsters in coming of age narratives and the need to confront and understand the monstrous this work explores recent

developments in the presentation of monsters such as the vampire the zombie and the man made monster in maturation narratives then moves on to discuss monsters inhabiting the psychic landscapes of child characters Finally it touches on monsters in science fiction in which facing the monstrous is a variation of the New World narrative Discussions of novels by M R Carey Suzanne Collins Neil Gaiman Theodora Goss Daryl Gregory Sarah Maria Griffin Seanan McGuire Stephenie Meyer Patrick Ness and Jon Skovron are complemented by analysis of television series such as Buffy the Vampire Slayer and Westworld

*Gothic Shakespeares* John Drakakis, Dale Townshend, 2008-12 In *Gothic Shakespeares* Shakespeare is considered alongside major Gothic texts and writers from Horace Walpole Ann Radcliffe Matthew Lewis and Mary Shelley up to and including contemporary Gothic fiction and horror film This volume offers a highly original and truly provocative account of Gothic reformulations of Shakespeare and Shakespeare's significance to the Gothic

**Love, Language, Place, and Identity in Popular Culture** María Ramos-García, Laura Vivanco, 2020-01-31 *Love Language Place and Identity in Popular Culture* Romancing the Other explores the varied representations of Otherness in romance novels and other fiction with strong romantic plots Contributors approaches range from sociolinguistics to cultural studies and the texts analyzed are set on four continents with particular emphasis on Caribbean and Atlantic islands What all the essays have in common is the exploration of representations of the Other be it in an inter racial or inter cultural relationship Chapters are divided into two parts the first examines place travel history and language in 20th century texts while the second explores tensions and transformations in the depiction of Otherness mainly in texts published in the early 21st century This book reveals that even at the end of the 20th century these texts display neocolonialist attitudes towards the Other While more recent texts show noticeable changes in attitudes these changes can often fall short as stereotypes and prejudices are often still present just below the surface in popular novels The understudied field of popular romance in which the Other is frequently present as a love interest proves to be a fruitful area in which to explore the potential and the realities of the treatment of Otherness in popular culture Scholars of literature communication romance and rhetoric will find this book particularly useful

*Women in Science Fiction and Fantasy* Robin Anne Reid, 2008-12-30 Works of science fiction and fantasy increasingly explore gender issues feature women as central characters and are written by women writers This book examines women's contributions to science fiction and fantasy across a range of media and genres such as fiction nonfiction film television art comics graphic novels and music The first volume offers survey essays on major topics such as sexual identities fandom women's writing groups and feminist spirituality the second provides alphabetically arranged entries on more specific subjects such as Hindu mythology Toni Morrison magical realism and Margaret Atwood Entries are written by expert contributors and cite works for further reading and the set closes with a selected general bibliography Students and general readers love science fiction and fantasy And science fiction and fantasy works increasingly explore gender issues feature women as central characters and are written by women writers Older works demonstrate attitudes toward women in times past while more recent works

grapple with contemporary social issues This book helps students use science fiction and fantasy to understand the contributions of women writers the representation of women in the media and the experiences of women in society

**Vampire Addiction** Eva Pohler, 2014 A bookworm from New York studies abroad in Athens Greece where her addiction to books is replaced by a far more dangerous one Yes the city of Athens has secrets Her host family calls them tramps In Greek they are called vrykolakas or vryks which sometimes gets translated to freaks They are the vampires of Athens created centuries ago by the Maenads They live in caves beneath the acropolis without economic resources and according to rules imposed on them by the Olympians First and foremost they are forbidden from turning humans into vampires The human will not turn unless all of the blood is drained so a vampire is allowed to drink up to one pint per month from a willing mortal Some mortals are willing because a vampire bite will infect the body for six hours and during that time the mortal has the powers of the vampire flight invisibility strength speed x ray vision and mind control Such great power can become irresistible though dangerous and addicting to mortals As seventeen year old Gertie studying abroad from New York uncovers the unfathomable secrets of this ancient city she becomes involved with a handsome vampire Is it love that attracts her or the temporary powers from his bite She s more confused when her heart is drawn to the vampire s enemy a demigod sworn to protect the city and she becomes an unwitting catalyst to war This series shares the word of The Underworld Saga Loved it I like how Eva intertwined Greek mythology with the legend of vampires Rebecca Bryant As a reader of vampire novels I can say I thoroughly enjoyed this book Flhawe Amazing book I was completely sucked in Ashley Fantastic book with more substance and vividness than most books in this genre The portraying of the characters is Multi faceted as every real person is complete with pro and cons and this is exceptionally well done These characters becomes living and very vivid In the readers mind Adding to an already outstanding read is the enchanting location in modern day Athens This book is definitely addictive and alluring and makes me as the reader crave the next book as well A great and sincere thanks to the author for creating this amazing tale Sinsational Terrific read What a wonderful book A different vampire book that looks at them from another direction This book was a fantastic read and was extremely hard to put down Goodreads Reviewer I decided to read a little before going to sleep I started reading and at 5 00 a m I finished the book It was that good Totally worth no sleep and that s saying a lot since I have 3 children at home Page by page I couldn t wait to see how the story would unfold I am hooked and will be reading all 3 in this trilogy Erika the book lover This book is another example of why I love Eva Pohler as she writes in a way that draws me in and somehow combined my two favorite things once again Greek mythology and romance I would highly recommend this book to all Camryn McGarry This is my first time reading her I read this straight thru It was absolutely amazing and I loved that I was able to remember so much of the Greek mythology As soon as I am able I plan on buying book 2 3 Bravo Sue Harding Grab your copy to begin the exciting adventure today Related Authors C Gockel Anthea Sharp Susan Kaye Quinn Cassandra Clare Chanda Hahn Quinn Loftis Kim Richardson S T Bende
