Urban Fantasy Pro:

Aftermarket Afterlife Seanan McGuire, 2024-03-05 Two time finalist for the Hugo Award for Best Series Kind of like taking a tour through a very deadly theme park made up of alternating parts awesome and terrifying Reactor Seanan McGuire's New York Times bestselling and Hugo Award nominated urban fantasy InCryptid series continues with the thirteenth book following the Price family cryptozoologists who study and protect the creatures living in secret all around us. Mary Dunlavy didn't intend to become a professional babysitter. Of course she didn't intend to die either or to become a crossroads ghost. As a babysitting ghost she's been caring for the Price family for four generations and she's planning to keep doing the job for the better part of forever. With her first charge finally back from her decades long cross dimensional field trip with a long lost husband and adopted daughter in tow it's time for Mary to oversee the world's most chaotic family reunion. And that's before the Covenant of St George launches a full scale strike against the cryptids of Manhattan followed quickly by an attack on the Campbell Family Carnival. It's going to take every advantage and every ally they have for the Prices to survive what's coming and for Mary to avoid finding out the answer to a question she's never wanted to know: what happens to a babysitting ghost if she loses the people she's promised to protect.

Spelunking Through Hell Seanan McGuire, 2022-03 It's been fifty years since the crossroads caused the disappearance of Thomas Price and his wife Alice has been trying to find him and bring him home ever since despite the increasing probability that he's no longer alive for her to find. Now that the crossroads have been destroyed she's redoubling her efforts. It's time to bring him home dead or alive. Preferably alive of course but she's tired and at this point she's not that picky. It's a pan dimensional crash course in chaos as Alice tries to find the rabbit hole she's been missing for all these decades the one that will take her to the man she loves. Who are her allies? Who are her enemies? And if she manages to find him will he even remember her at this point?

Backpacking through Bedlam Seanan McGuire, 2023-03-07 Seanan McGuire's New York Times bestselling and Hugo Award nominated urban fantasy InCryptid series continues with the twelfth book following the Price family cryptozoologists who study and protect the creatures living in secret all around us. Reunion noun 1 The state of being united again. Reconciliation noun 1 An act of reconciling as when former enemies agree to an amiable truce. 2 The process of making consistent or compatible. 3 See also impossible. Alice Price Healy gave up her life for fifty years to focus completely on the search for her missing husband. The danger of focus like that is that it leaves little room for thinking about what happens after and now that she's finally managed to find Thomas she has no idea what she's supposed to do next. The fact that he comes with a surrogate daughter who may or may not have some connection to Alice's recently adopted grandson is just icing on the complicated cake. So the three of them are heading for the most complicated place in the universe they're going home. But things on Earth have changed while Alice, Thomas and Sally have been away. The Covenant of St George antagonized by Verity's declaration of war and Sarah's temporary relocation of an entire college campus is trying to retake North America from the cryptids and

cryptozoologists who've been keeping the peace for the past hundred years. And they're starting in New York. Alice and company have barely been back for an hour before the Ocean Lady and the Queen of the Routewitches are sending them to New York to help and they find themselves embroiled in the politics of dragons kidnappings and of course the most dangerous people of all family. Getting back to normal may be the hardest task Alice has undertaken yet.

The Professional Teacher, The Preparation and Nurturance of the Reflective Practitioner Kay A. Norlander-Case, Timothy G. Reagan, Charles W. Case, 1999-07-02 From the AgAnda for Education in a Democracy Series Sponsored by the National Network for Educational Renewal This book is comprehensive in its account of what goes into the substance and process of preparing the professional educator from selection to induction into teaching. The story that unfolds in the collaboration of the University of Connecticut and several schools is one of redesigning virtually every component into something quite different from what existed before without stopping the traffic of future teachers from crossing the bridge to practice from the Foreword by John I. Goodlad codirector Center for Educational Renewal University of Washington and president Institute for Educational Inquiry This practical volume redefines teaching as a profession with pronounced service and moral dimensions. The Professional Teacher shows how this new paradigm can be instilled in teacher education programs and in teaching practice. The authors argue that the practice of teaching requires much more than knowledge and technical competence. It calls for reflection and inquiry, a dedication to democratic principles and a strong commitment to educational renewal and change. The authors reveal how teacher education can be structured to emphasize the moral and service responsibilities of the profession especially by forging closets with local schools and communities to produce caring and effective teachers. Richly illustrated with research and real life examples of good practice. The Professional Teacher proposes a new standard that focuses on preparing teachers for a climate of school renewal and change.
