The Elements of Architecture Scott Drake, 2014-02-04 The Elements of Architecture is a clear and well structured introduction to sustainable architecture which concentrates on general principles to make an accessible and comprehensive primer for undergraduate students The author takes a fresh and logical approach focusing on the way aspects of the built environment are experienced by the occupants and how that experience is interpreted in architectural design He works through basic elements and senses sun heat light sound air water and fire to explain and frame effective environmental architectural design not only arguing that the buildings we inhabit should be viewed as extensions of our bodies that interact with and protect us from these elements but also using this analogy to explain complex ideas in an accessible manner

Chibi Character Styles Hazel Monroe, AI, 2025-03-10 Chibi Character Styles explores the delightful art of chibi character design focusing on simplified proportions and exaggerated expressions This book explains how to capture a character s essence using just a few lines Interestingly chibi art while seemingly modern is rooted in historical art forms like caricature and early animation demonstrating its enduring appeal Learn how to effectively manipulate proportions creating endearing characters with large heads and small bodies and master the art of conveying emotions through subtle facial adjustments The book uniquely deconstructs the chibi style with a systematic approach offering a clear framework for understanding its principles It emphasizes expressive exaggeration to

help the reader amplify the character's core personality. For example, slight changes to the eyes or mouth can dramatically alter a character's mood. The book progresses from fundamental anatomy to facial expressions and practical exercises, allowing readers to create personalized chibi characters. Ultimately, mastering chibi design enhances visual communication skills, making it valuable for various applications like game design and animation. The book emphasizes that effective chibi design is not merely about shrinking a character but rather a strategic simplification and expressive amplification. This approach sets it apart, highlighting its potential as a powerful tool for character design. Frontiers, 2011. A journal of women studies.

Advanced Mermaid Politics L.C. Mawson, 2021-01-31. When the bond between me, Naveen, Lorelei, and James is supposed to be protecting me, lying to the three of them probably isn't my smartest move. But I also know that they won't react well to knowing that the bond has been weakened, and I don't want James to feel pressured into strengthening the bond by getting close to me if he's not ready. So I'm stuck dealing with the Great Dragon who still wants to claim me as his bride by himself. Which would be fine if I was sure that I could actually trust myself not to fall for his charms again. *ADVANCED MERMAID POLITICS* is the third book in the Ember Academy for Magical Beings New Adult slow burn Reverse Harem Urban Fantasy Academy series. If you love bisexual heroines struggling to find their place in their world, dragon-related mysteries, and magical universities, you'll love this latest fast-paced series in L.C.
