*Open Look* Jay Triano, 2018-10-23 A thoughtful entertaining memoir about one of Canada's most decorated basketball stars his love of the sport and the rise of basketball in Canada As a child growing up in Niagara Falls Ontario Jay Triano did what everyone else in the city did on Friday nights he went to watch basketball Along with dozens of other fans Jay and his family would crowd into the gymnasium of the local high school Of all the places in the world Jay only ever wanted to be courtside surrounded by the game he loved with the roar of the crowd behind him Jay never lost that passion for the game A talented basketball player Jay competed at the highest levels of the sport He broke school records traveled the world with the national team and twice played against some of basketball's biggest stars at the Olympics all in the hopes of one day becoming a professional athlete But the road wasn't always smooth Basketball was in its infancy in Canada and Jay's options were limited Jack Donohue the imposing forefather of the national game in Canada held the fortunes of many players in his hands and he tested the mettle of those around him Throughout it all Jay's love of the sport drove him onward As Jay matured so too did the game of basketball in Canada from humble origins in quiet communities to international competitions and the peak of the professional game Along the way Jay drew inspiration from the remarkable people in his life When he was playing at university Jay's trainer was a young man named Terry Fox who showed Jay the true meanings of discipline gratitude and giving back Years later when Jay was coaching Olympic and NBA teams it was those same lessons that helped him realize that he wasn't just shaping athletes he was shaping a new generation Told with honesty warmth and passion Jay Triano's story is an uplifting reminder of what it means to love a sport and a country
