Open Your Mind to Prosperity Catherine Ponder,1983-12 There are many success
courses and books available today and they are all good Anything that helps you to open your mind to prosperity is
worthwhile But most of those courses and books cover only about one fourth of the formula given in OPEN YOUR MIND TO
PROSPERITY Other books only explain how to create your prosperity mentally first Catherine Ponder not only explains how
she helps you prepare your mind for prosperity and directs you forward to a life of prosperity To live a prosperous life you
must learn how to clear away the psychological blocks about prosperity as discussed in Chapter 1 then learn how to cleanse
your mind to make way for prosperity as explained in Chapter 2 then follow this up by giving your prosperity a spiritual basis
as shown in Chapter 6 just creating your prosperity mentally first is not enough By learning the entire formula for prosperity
as given in this book in both Part I and Part II you will find that it becomes an automatic process which you can easily invoke
again and again and you will enjoy doing so Then you will return to the cleansing laws of prosperity and once again form a
vacuum in both inner and outer ways You will begin again to create your prosperity mentally first probably making a new list
getting fresh mental pictures and affirmations to work with daily
