Isaiah Saldivar had a visitation from the Holy Spirit in which He told him in so many words Isaiah the church is unprepared and untrained in spiritual warfare I want you to teach on casting out demons and spiritual warfare Isaiah began to emphasize deliverance training and spiritual warfare in his ministry and what he thought would be a one week teaching turned into eight straight months and more than sixty hours of video teachings on how to cast out demons and win the fight in the spirit These videos have now amassed over 30 million views and thousands have been delivered by the power of the Holy Spirit In this book Isaiah helps Christians who know they should be doing deliverance but don t know how to go about it Exploring the seven examples in the Gospels of Jesus casting out demons and featuring stories from Saldivar s life and ministry this simple guide removes the mystery and provides practical training for believers who want to follow Jesus example of casting out demons and healing the sick In these pages Saldivar challenges readers to not ignore Satan s kingdom and equips them to confront resist wrestle stand against and cast out Those who are tired of sitting on the sidelines will be empowered to do the works of Jesus and be part of the most significant deliverance revival the world has ever seen   **Foundations of our Faith** B. Lightsey,2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine   Real Life Christianity Alan Kelly,2009-10 So many in Christianity are confused about their beliefs it s no wonder that those new to the faith have trouble knowing where to start In Real Life Christianity 7 Basic Principles for Successful Christian Living author Alan Kelly helps both kinds of readers see that with the right guide it is not hard to bring our faith into our daily lives Beginning with a solid foundation of who God is and who we are Real Life Christianity then

demonstrates what went wrong in our relationship with God and what God has done to redeem us With these principles in place Alan moves on to show in simple terms how God has planned for us to live a successful life by changing the way we think This daily process of applying what we learn in the Bible to the routines and events of our real lives helps us to go from just surviving to flourishing from living a hectic and harried life to living the abundant and prosperous life God promised in his word   *The GROW UP Challenge* K.A.
