Open Letters Václav Havel,Paul Wilson,1991-01 **The Statesman as Thinker** Daniel J. Mahoney,2022-05-24 In The Statesman as Thinker Daniel J Mahoney provides thoughtful and elegant portraits of statesmen who struggled to preserve freedom during times of crisis Cicero using all the powers of rhetoric to preserve republican liberty in Rome against Caesar s encroaching autocracy Burke defending ordered liberty against Jacobin tyranny in revolutionary France Tocqueville defending liberty and human dignity against blind reaction democratic impatience and revolutionary fanaticism Lincoln preserving the American republic and putting an end to chattel slavery Churchill defending liberty and law and opposing Nazi and Communist despotism de Gaulle defending the honor of France during World War II and Havel fighting Communism before 1989 and then leading the Czech Republic with dignity and grace Mahoney makes sense of the mixture of magnanimity and moderation that defines the statesman as thinker at his or her best That admirable mixture of greatness courage and moderation owes much to classical and Christian wisdom and to the noble desire to protect the inheritance of civilization against rapacious and destructive despotic regimes and ideologies Zola Ramin Jahanbegloo,2023-03-03 This

Barton,2021-10-05 This is the story of a man who tried to resurrect the spirit of democratic life He was born into a time of chaos and absurdity and he took it as his fate to carry a candle into the night This is his story and the story of many others the writers artists actors and philosophers who took it upon themselves to remember a tradition that had failed so miserably it had almost been forgotten V clav Havel 1936 2011 the famous Czech dissident intellectual and playwright was there when a half million people came to Wenceslas Square to demand an end to Communism in 1989 Many came to hear him call for a free Czechoslovakia for democratic elections and a return to Europe The demonstrators roared when he spoke Havel to the castle they chanted meaning Havel for president And a few weeks later Havel became a most unusual president He was sometimes misunderstood and not always popular but by the time of his death in 2011 the world recognized Havel as one of the most prominent figures of the twentieth century Born into one of the most prominent and wealthy families in Prague Havel was the constant subject of attention and an artistic eccentric in a family of businessmen A young Havel and his family were cast by the Communist takeover as class enemies Havel traveled a dark road that ironically provided the experiences he needed to reconnect not only to his own ground of being but to the traditions of civic society This biography is the story of Havel s inward journey in his underground years and thus the story of how Havel the outsider became the ultimate insider as president of the nation In this intimate and sweeping portrayal of Havel David Barton reveals the eccentricities of the last president of Czechoslovakia and the first president of the Czech Republic *Encyclopedia of Life Writing* Margaretta

Tradition and Dissent J. Davis McCaughey, 1997 In this collection of his speeches and addresses Dr Davis McCaughey challenges our perceptions of what tradition and dissent mean to each of us. Freedom to dissent is part of the tradition that we have inherited. Dr McCaughey surveys our inherited traditions including that of the Crown, discusses the meaning of the freedom to and the present need for dissent and discourses on topics such as accountability in learned institutions and universities and ethical issues such as euthanasia and responsibilities in a nuclear age. Dr McCaughey's observations are illuminating and engaging, intelligent and critical, encouraging and challenging. He writes with authority and wisdom on matters of vital importance for our national self-understanding. In speaking at the commemorations for many notable traditionalists and dissenters among them intellectual and social leaders of Australia and in Anzac Day addresses Dr McCaughey reminds us of the continuing need to honour and support those among us who see the need for both tradition and dissent.
