## **Opened Doors:**

**Opening Doors** Richard Sorabji, 2010-05-30 Clever attractive and ambitious intellectually daring and physically courageous Cornelia Sorabji was a truly remarkable woman As India's first female lawyer she was original and often outspoken in her views for example in her criticism of Gandhi and her surprising friendship with Katherine Mayo Cornelia Sorabji resists easy classification either as a feminist or as an imperialist She is an Indian whose loyalty to the British Raj never wavered a passionate advocate of women's rights whose own career was nearly compromised through her inappropriate relationship with a married man and an independent and free thinking intellectual who depended for work on patronage from an elite circle Cornelia Sorabji's long and fulfilling life was anything but simple How did she reconcile these apparent contradictions How did she succeed in opening doors to aspects of Indian and British life which remain closed to so many even today and where did she run into difficulties Through its beguiling portrait of a determined and pioneering woman at the heart of the Raj this rich and important story will captivate everyone with an interest in Indian or British history

**Outlook** Alfred Emanuel Smith, Francis Walton, 1888 **The Weekly Underwriter**, 1917 **Open Door**, 1911 **Colossians** David J. Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey
