Opening For Murder:

Murder Movie Makers Matthew Edwards, 2020-05-28 Serial killers mass murderers spree killers outlaws and real life homicidal maniacs have long held a grim fascination for both filmmakers and viewers. Since the 1970s hundreds of films and television movies have been made covering killers from Charles Manson to Ted Bundy and the Zodiac Killer creating a uniquely morbid sub genre within horror and thrillers. This collection of interviews sheds light on 17 filmmakers and screenwriters who tackled this controversial subject while attempting to explore the warped world of infamous killers. The interviews include John McNaughton's *Henry*, *Portrait of a Serial Killer*, Tom Hanson's *The Zodiac Killer*, David Wickes' *Jack the Ripper*, Chris Gerolmo's *Citizen X*, Chuck Parello's *The Hillside Stranglers*, David Jacobson's *Dahmer* and Clive Saunders' *On His Ill-Fated Experience Directing Gacy*. Offering candid insights into the creative process behind these movies, the interviews also show the pitfalls and moral controversy the filmmakers had to wrestle with to bring their visions to the screen.

A Treatise on Criminal Pleading and Practice Francis Wharton, 1889 **Open Season** Jonathan Kellerman, 2025-08-26 The most beloved and enduring duo in American crime fiction is back. **NEW YORK TIMES** BESTSELLER Psychologist Alex Delaware and Homicide Detective Milo Sturgis race against time to find a twisted killer in this riveting thriller from the 1 New York Times bestselling master of suspense. *Los Angeles Times*, *People* come to Los Angeles to chase their dreams. Sometimes they find themselves cast into a nightmare. And sometimes the most ardent dreamers turn out to be the most vicious monsters. The body of an aspiring actress is found dumped near a hospital emergency room. She's been drugged and murdered and the motive for the callous crime remains maddeningly out of reach. Until a prime suspect materializes. Another Hollywood hopeful. Only to be shot dead by a sniper using a weapon that turns out to have been catalogued in a previous murder. And another before that. It's not long before more bodies begin piling up. What makes the murderous spree baffling is the apparent lack of connection among the victims. Is this the work of a random thrill killer, the toughest of all cases to unravel? But as Alex and Milo dig deeper, they're faced with an even knottier scenario: a highly complex killer with deep seated motivation that will require all of their highly honed skills to decipher. The latest page turner from 1 New York Times bestseller Jonathan Kellerman is a tale of psychological complexity, dark suspense and shocking surprises. A wild ride through L.A.'s surreal underbelly, climaxed by an edge of the chair conclusion.
