## **Opening The Invitation:**

*Opening The Invitation* Oriah,2004-04-27 A beautiful presentation of Oriah's signature prose poem preceded by a chapter relating the full life story behind the poem and then followed by a chapter on the life of the poem and its remarkable effect on people's lives including her own The prose poem The Invitation was originally passed from reader to reader over the internet and hand to hand it was these readers who helped make the book a best seller This small beautifully presented book incorporating the poem and two short additional new chapters by Oriah gives old and new readers the beloved poem in a fresh way as a gift for others or oneself The often moving and sometimes funny chapters give a fresh full account of how the poem came to be and then discuss the life of the poem after it was written and circulated to so many readers via the internet photocopies and eventually the full book The Invitation Artwork will accompany each paragraph of the poem

Ghidini,Hanns Ullrich,2015-09-25 The field of intellectual property has broadened and deepened in so many ways and at such pace that there is a tendency for academic commentators to focus on the next new thing or to react immediately to judicial developments rather than to reflect more deeply on the greater themes of the discipline The Kritika Essays on Intellectual Property series is a series of books that are designed to fulfill this role by creating a forum for essays that take a critical long term approach to the field of intellectual property Breaking down the barriers of specialization and laying the foundation for an emergent critical scholarship this first book in the series brings together the leading scholars in the field to reflect deeply on the current state and future of their discipline
