Opera Today:

Opera Today Meirion Harries, Susie Harries, 1986 *Opera in a Multicultural World* Mary Ingraham, Joseph So, Roy Moodley, 2015-06-19 Through historical and contemporary examples this book critically explores the relevance and expressions of multicultural representation in western European operatic genres in the modern world. It reveals their approaches to reflecting identity, transmitting meaning and inspiring creation as well as the ambiguities and contradictions that occur across the time and places of their performance. This collection brings academic researchers in opera studies into conversation with previously unheard voices of performers, critics and creators to speak to issues of race, ethnicity and culture in the genre. Together they deliver a powerful critique of the perpetuation of the values and practices of dominant cultures in operatic representations of intercultural encounters. Essays accordingly cross methodological boundaries in order to focus on a central issue in the emerging field of coloniality: the hierarchies of social and political power that include the legacy of racialized practices. In theorizing coloniality through intercultural exchange in opera, authors explore a range of topics and case studies that involve immigrant, indigenous, exoticist and other cultural representations and consider a broad repertoire that includes lesser known Canadian, Chinese and African American performances as well as works by Haydn, Strauss, Puccini and Wagner and in performances spanning three continents and over two centuries. In these ways the collection contributes to the development of a more integrated understanding of the interdisciplinary fields inherent in opera, including musicology, sociology, anthropology and others connected to Theatre, Gender and Cultural Studies. **Opera** Alan Riding, Leslie Dunton-Downer, 2022-08-16 Experience the passion and drama of the world's greatest operas with this sumptuously illustrated visual guide. Immerse yourself in more than 75 years of the world's most celebrated operas and discover the fascinating stories behind them. Explore the lives of opera singers such as Maria Callas, Luciano Pavarotti and Jonas Kaufmann. Meet composers such as Mozart, Wagner and Britten and the librettists with whom they collaborated to create the magical blends of words and music that make up opera. From its origins in the 17th century courts of Italy to live screenings in public spaces today, *Opera: The Definitive Illustrated History* follows the history of opera from Monteverdi's *L'Orfeo* in 1607 to *Cosi fan Tutte*, *La Bohème* and modern operas such as *Brokeback Mountain*. It explains musical terminology, traces historical developments and sets everything in cultural context. Filled with photographs of all the key figures and performances, this ebook revels in the sets and costumes that make up the grand spectacle of opera. It also explores the great opera houses of the world such as La Scala in Milan, the Met in New York and the Sydney Opera House. *Opera: The Definitive Illustrated History* is the essential book for anyone who wants to understand and enjoy the constantly evolving world of opera.
