Operation Nemesis:

Operation Nemesis Eric Bogosian, 2015-10-27 A masterful account of the assassins who hunted down the perpetrators of the Armenian Genocide set in the context of Ottoman and Armenian history A dramatic work of history that reads like a thriller Michael Bobelian Los Angeles Times In 1921 a tightly knit band of killers set out to avenge the deaths of almost one million victims of the Armenian Genocide They were a humble bunch an accountant a life insurance salesman a newspaper editor an engineering student and a diplomat Together they formed one of the most effective assassination squads in history They named their operation Nemesis after the Greek goddess of retribution The assassins were survivors men defined by the massive tragedy that had devastated their people With operatives on three continents the Nemesis team killed six major Turkish leaders in Berlin Constantinople Tiflis and Rome only to disband and suddenly disappear The story of this secret operation has never been fully told until now Eric Bogosian goes beyond simply telling the story of this cadre of Armenian assassins by setting the killings in the context of Ottoman and Armenian history as well as showing in vivid color the era s history rife with political fighting and massacres Casting fresh light on one of the great crimes of the twentieth century and one of history s most remarkable acts of vengeance Bogosian draws upon years of research and newly uncovered evidence Operation Nemesis is the result both a riveting read and a profound examination of evil revenge and the costs of violence Absorbing reading Where it matters most he delivers in his gripping action accounts of Nemesis at work and in the sober assessment of its terrible aftermath Joseph Kanon New York Times Book Review Hitler asked Who remembers the Armenians Eric Bogosian that s who Read his potent action packed account of how a little known assassination plot harkens back to a world historical genocide and so will you Sarah Vowell author of *The Wordy Shipmates* and *Assassination Vacation*

1001 Masks of Turkish Ittihadism in a Century Jude

E. Seleck,2024-03-09 In the early 1900s the Committee of Union and Progress CUP committed the Armenian Genocide as part of their pursuit of Pan Turkist and Pan Islamist aspirations known as ittihadism The CUP also sought to Turkify non Muslim property reminiscent of the Aryanization program in Nazi Germany that targeted Jewish assets The ittihadist dream was shattered when the Ottoman Empire collapsed following their defeat in the Great War Established in 1923 as an ittihadist project the Republic of Turkey adopted ittihadism as its fundamental ideology as well The desire to reach Central Asia and unite with other Turkic nations was initially reignited during World War II Nonetheless the dream was once again crushed when Nazi Germany was defeated on the Eastern Front The collapse of the Soviet Union brought back the aspiration once more This book provides an in depth examination of the major events in the Ottoman Empire and the Republic of Turkey over a century placing particular emphasis on the Armenian Genocide the ongoing Cyprus dilemma and the Kurdish minority issue By unraveling the reasoning behind these events the book provides insight into the worldview of the current Turkish government led by President Erdo an and his AK Party and the transformation of ittihadism into neo ittihadism under their leadership

The Resistance Network Khatchig Mouradian,2021-01-01 The Resistance Network is the history of an underground network of humanitarians missionaries and diplomats in Ottoman Syria who helped save the lives of thousands during the Armenian Genocide Khatchig Mouradian challenges depictions of Armenians as passive victims of violence and subjects of humanitarianism demonstrating the key role they played in organizing a humanitarian resistance against the destruction of their people Piecing together hundreds of accounts official documents and missionary records Mouradian presents a social history of genocide and resistance in wartime Aleppo and a network of transit and concentration camps stretching from Bab to Ras ul Ain and Der Zor He ultimately argues that despite the violent and systematic mechanisms of control and destruction in the cities concentration camps and massacre sites in this region the genocide of the Armenians did not progress unhindered unarmed resistance proved an important factor in saving countless lives
