Opium Lady:

The Opium Lady JoAnne Soper-Cook, 2003 In *The Opium Lady* JoAnne Soper Cook leads her readers as willing captives into the far corners of human yearning Inspired by a box of old snapshots a teller of tales freezes a defining moment in the life of the person in the photograph This speaker discerns the hearts of everyone men women and children rich and poor the scandalizers and the scandalized housewives and farmers tradesmen charlatans and ne'er do wells Some live in the shabby Maryland town of Hagersfield and some live in Guernsey a Newfoundland outport Gradually in revealing the secrets of others the storyteller reveals herself *Lady's Realm*, 1899 *Secret Passions, Secret Remedies* Terry M. Parssinen, 1983 England Drogen 1820 1930 *My Travels with Fa Hien, 5th Century Buddhist Pilgrim* Hardie Karges, 2024-11-09 This is the story of Fa Hien 5th century Buddhist pilgrim who in the year 399CE set out walking from his home in Chang an Xi an China toward his final destination near Pataliputra Patna India via Purushapura Peshawar now in Pakistan He made this trip to retrieve and translate original texts to clarify the practice of Buddhism in China which was then almost a thousand years and five thousand miles from its source Those are the facts But this is a novel and Fa Hien was not alone There was also Jing Chang his trusted porter and a well traveled tribal boy with much knowledge and no shortage of ambition in his own right He knew a shortcut also So when master and student separate Jing Chang sets off on his own adventures he and his Greek partner with a growing opium problem What could go wrong But they ll all meet again *Intimate China* Mrs. Archibald Little, 1899 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy **India's Women and China's Daughters**, 1899 *The Friend of China*, 1891 **Service for the King**, 1891 **The National Magazine**, 1906 *Journal of a Lady's Travels Round the World* F. implications It s a remarkable tale starting with the outrageous behavior of her father which made Ada instantly famous upon birth Ada would go on to overcome numerous obstacles to obtain a level of education typically forbidden to women of her day She would eventually join forces with Charles Babbage generally credited with inventing the computer although as Essinger makes clear Babbage couldn t have done it without Lovelace Indeed Lovelace wrote what is today considered the world s first computer program despite opposition that the principles of science were beyond the strength of a woman s physical power of application Based on ten years of research and filled with fascinating characters and observations of the period not to mention numerous illustrations Essinger tells Ada s fascinating story in unprecedented detail to absorbing and inspiring effect *The Parliamentary Debates (official Report)*.
