Opposite The Cross Keys:

OPPOSITE THE CROSS-KEYS. SYLVIA. HAYMON,2023 Opposite the Cross Keys S. T. Haymon,2012-06-14 I stood outside the Cross Keys feeling the way I imagine the Pope feels when he arrives in a new country and the first thing he does is go down on his knees and kiss the ground humble and at the same time triumphant Great writing about childhood can do much more than evoke a particular time and place it can illuminate the universal experience of being a child in an adult's world up to the moment when the child crosses the line between innocence and experience For Sylvie Haymon that moment came at the age of ten in the home of her nursemaid's family who lived opposite the Cross Keys pub in the tiny staggeringly poor village of Salham St Awdry just four miles from her parents' comfortable house in Norwich Sylvie had grown accustomed to living in two separate worlds the respectable English home of her well educated well behaved parents who left the childrearing to a nursemaid named Maud Fenner and the irresistibly dirty undisciplined and emotionally intense household where Maud's family along with their astonishing neighbour Chicken taught a proper little snob about real life It was this second more primitive world that shone the brighter for Sylvie Opposite the Cross Keys is a rich and rewarding work an honest unsentimental sometimes funny and sometimes heartbreaking story that captures the wonder and terror of childhood and childhood's end Robust and plain speaking Sylvia Haymon is exceptionally good at the half understood overheard conversation of adults when we are children We are in the presence of one of those runaway storytellers Daily Telegraph

Opposite the Cross Keys S. T. HAYMON,1993 The Footprints of Maitland's Old Hands Trilogy Peter F. Smith,2023-10-27 Discover the heritage of Maitland New South Wales Australia Fascinating facts bewitching stories and awe inspiring vintage photographs reveal its people and places alluring readers to inhabit this treasured landscape THE FOOTPRINTS OF MAITLAND'S OLD HANDS trilogy is a grand tapestry and a go to guide to transport you back in time Its an ambitious and comprehensive study of Maitland and its neighbouring historical estates The author devoted thirty years to weave the tale of this town weighing untold data left idle in ignored documents and undisturbed memories With the keen eye of a seasoned historian three centuries of Maitland's history gateway to the Hunter Valley are recorded for future generations Footprints left by ancestors are no longer hidden by nature's fury of floods fires or human forgetfulness This three book work is a treasure trove for tens of thousands young and old whose families made Maitland the heritage gateway to the Hunter *A History of Newton Chapelry in the Ancient Parish of Manchester* Henry Thomas Crofton,1904

Notes and Queries ,1922 **The Pennsylvania-German Society: 1928** ,1930 Includes proceedings addresses and annual reports Proceedings and Addresses Pennsylvania-German Society,1930 *A Bibliography of the Writings in Prose and Verse of Jonathan Swift, D.D.* Dr. H. Teerink,2013-11-21 **A Bibliography of the Writings of Jonathan Swift** Herman Teerink,2016-11-11 This work is an analytic bibliography of the writings of Jonathan Swift containing a listing of

every known edition or issue of Swift's work down to the year 1814 except for the section Biography and Criticism which extends from 1709 to 1895. In this revised edition Herman Teerink has added full collations of the works referred to. In addition the titles of many 18th century mutations or parodies of Swift have been included together with works which allude to Swift or his writings. Arthur H. Scouten, a University of Pennsylvania professor of English and author of many bibliographical articles on Swift who has carried on Dr. Teerink's work and prepared this volume for press, has consulted 18th century scholars and bibliographers. With their advice he has kept the original Teerink numbers since they are the common reference numbers among Swift scholars and are listed in dealers' catalogues. Because the new material and arrangement put these numbers out of order they have been listed in a table at the beginning of the book with all the pages they appear on. So that they will not have to be sought throughout the entire volume all the Faulkner editions have been placed together and all the printings of Gulliver's Travels have been collected in one section where they are arranged chronologically by country. A full physical description of all important books and pamphlets including those discovered since 1937, the first edition has been provided. The work has been brought up to date with the bibliographical findings of Swift scholarship of the past twenty-five years. A number of pieces apocryphally attributed to Swift have been deleted or placed in the Doubtful section. Finally entries of books and pamphlets containing contemporary comment on a work by Swift have been placed where Swift's work itself is entered. This book is especially rich in its listings of translations of Swift's works into foreign languages. Also since the first edition. A Bibliography of the Writings in Prose and Verse of Jonathan Swift. D.D. has long been out of print, this volume will be invaluable to book dealers, bibliophiles and scholars, teachers and students of English literature. The Old Pike
