*Black and Decker Deck Codes and Standards 2nd Edition* Bruce Barker, 2025-02-04 Whether you are a homeowner, a builder or inspector, BLACK DECKER Deck Codes and Standards is for you. This excellent and valuable manual is highly recommended. Library Journal review of the first edition National codes expert Bruce A. Barker accurately shows how to design and build decks right. Given that every year in the US more than 120,000 people are injured by deck collapses and more than 50 die following Barker's careful and detailed advice is not only important for passing inspection but to protect against potential disaster. Using the same common sense approach he used in his best selling book BLACK DECKER Codes for Homeowners, Barker isolates the aspects of deck building that are the most frequent sources of trouble and shows with photos, illustrations and commentary exactly how to do it correctly. This updated edition is not only for DIYers who are building a brand new deck. National deck building codes have changed significantly in the past five years. If your existing deck is more than two or three years old you'll want this detailed but accessible volume

### **Black & Decker The Complete Guide to Decks, Updated 5th Edition**

Editors of CPi, 2012-01-01 The most detailed, most current and most complete deck building book on the market. It reflects the latest changes in building codes and it features deck building materials that are popular today. The additional two signatures 32 pages contain all new deck plans with complete plan drawings. Updates to the materials section focus on new composite and non-wood deck building alternatives as well as the current generation of deck hardware that resists corrosion caused by non-CCA pressure treated lumber. Step by step projects feature clever ways to customize and accessorize your deck to enhance both utility and enjoyment
