The Role of the First Language in Foreign Language Learning Håkan Ringbom, 2013

Revisiting Language Learning Resources Carlos Perrián Pascual, 2009-03-26 Human and material resources are two key elements that make up the language learning process Regarding material resources nowadays new technologies can be said to play a leading role in most language learning environments However we cannot forget that these relatively new tools still coexist

with more traditional ones which are still widely used in the foreign language classroom On the other hand the progressive emergence of new human roles in language learning means that human resources have also become a key medium through which the learner accesses knowledge and practice towards language acquisition There is an obvious need to carry out research on these resources in order to assess their potential for an optimum learning experience This book tries to meet such needs offering the research work that different authors have carried out in this field **Language Learning**

Unlocked Andrew Weiler, 2013-07-23 If you have struggled to learn another language or you are looking for better ways to do it look no further than this book It looks into and explains why so many people have difficulties in learning foreign languages despite the fact that all of us learned our first with relative ease It tells us what we need to do if we are to improve our language learning It also provides a whole host of free downloadable resources to help learners implement some of the suggested practices It can be used by itself if you are an independent kind of learner or it can be used in conjunction with courses so you can gain maximum benefit out of them **Computer-Assisted Language Learning** ,2014-09
