Who Am I? What Am I? Why Am I Here? Geoffrey Barracough,2015-11-18 Your fate your destiny your inner energy vibrations has led you to this life changing book As you peruse this cover and try to decide whether this information is for you or not at this moment in time the decision has already been made If you are ready you will read it if you are not yet ready you will put it down unread As one day you may find out there are no flukes in your life everything that happens to you is predetermined is for a purpose Of course you unconsciously cause things to happen in one way or another by your actions reactions or nonactions But nothing ever happens by random accident Your life is full of limitless potentials that are restricted only by your mind set So now you are here do you read this book or not Whatever path you are currently on will answer that question for you no need to cogitate over the choice Simply trust your innate feelings right now and go with them and whatever you chose to do was meant to be at this point in your current life experience American Government James Q.
