## **Oops Were Married:**

Alley-Oop to Aliyah David A. Goldstein, 2017-11-07 Every season dozens of African American basketball players pack up their sneakers to play and live in Israel They eat Israeli food navigate Israeli hustle and bustle experience cultural and religious customs in the world's only Jewish country and voluntarily expose themselves to the omnipresent threat of violence in the volatile Middle East Some players are both Black and Jewish by birth Others choose to convert to Judaism while residing in Israel Some go so far as to obtain Israeli citizenship enlist in the Israeli Army marry Israeli women and stay long after their playing careers end *Alley Oop to Aliyah African American Hoopsters in the Holy Land* is the first book to provide an in depth exploration and analysis of the experiences of African American basketball players in Israel from the 1970s till today Author David A Goldstein examines how they end up in the country in the first place the multitude of distinctive aspects of their lives there the challenges and difficulties they face and the reasons some choose to return to Israel year after year In some cases they even decide to stay in Israel permanently *Alley Oop to Aliyah* not only deals with basketball and its impact on Israel but it delves into emotion laden issues of race religion identity and politics primarily through the eyes of the players themselves based on more than forty extensive first person interviews Goldstein a sports journalist of half Israeli descent conducted Their stories and their impact on Israel are at the very heart of this revealing book that is about more than just a game

*Smart Girls Marry Money* Elizabeth Ford, Daniela Drake, 2009-05-05 Why does society applaud a girl who falls for a guy's big blue eyes yet denounces one who chooses a man with a big green bankroll After all isn't earning power more a reflection of a man's values and character *Smart Girls Marry Money* challenges the ideals and assumptions women have blindly accepted about love and marriage and shows how they've done so at their own economic peril In this brazen manifesto authors Elizabeth Ford and Daniela Drake use cold hard facts real science and true stories to present a compelling case for why mercenary marriages make the most sense for future happiness *Smart Girls* taps into a growing collective suspicion that the post feminist world isn't all it's cracked up to be Female empowerment has women working hard to look sexier than ever while carrying more than their fair share financially Yet sadly statistics prove that not only do women continue to earn far less than their male counterparts they also suffer far more economically when marriages fail Ford and Drake think it's high time that women get their heads out of the clouds and start caring about their own security the kind that can be measured in dollars and common sense With an irreverent straight talk tone the authors serve up a sound case and intriguing strategy for how women can truly have it all Sure to spark conversation and controversy *Smart Girls Marry Money* will ultimately empower women with a new way to take control of both their economic and romantic lives
