## **Operation Rimbaud:**

Operation Rimbaud Jacques Godbout, 2008 From Governor General's Award winner Patricia Claxton comes a new translation of a tale of intrigue impiety and insurrection by Quebec's original literary lion Jacques Godbout Thirty five year old Michel Larochelle an agnostic Jesuit sees his membership in the Society of Jesus in unconventional terms as a cover for all manner of clandestine activities as he travels the world and samples its many earthly delights At the end of the 1960s and with liberal expression reaching its peak it seems almost anything is available to this peripatetic man of the cloth So when Larochelle is personally chosen to execute a secret mission dubbed Operation Rimbaud on behalf of Haile Selassie Ethiopia's venerable King of Kings he doesn't hesitate Aware of an imminent coup threatening the kingdom Selassie entrusts Larochelle along with Selassie's alluring daughter with the perilous task of overseeing the safe removal of precious artifacts from the country the original stone tablets bearing the ten commandments Honouring his personal adage to kill only when necessary Larochelle keeps the tablets intact while managing to violate nearly every law they dictate on a wild romp through the African wilderness pursued by all manner of marauding outlaws and haunted by the ghost of one of its most famous visitors Arthur Rimbaud

Disavowal: The Metaphysics of Escape Jake Nibasny, 2019-12-04 Self Ego Subject these are the terms that philosophers have used to define that indelible mark of an individual At the same time however a counter current runs through the history of philosophy and culture that challenges the primordality and privilege of the purportedly self identical Subject This collection of texts from 2012-2018 traces the history of disavowal a line of escape from subjectivity Breaking free of the binary logic of affirmation negation these essays contend that a third possibility exists in the realm of human action disavowal Disavowal is a sly sidestepping of boolean responses an absolute negation that nevertheless posits an alternative course of action Positing that a refusal to participate in the current global capitalist order need not be a refusal of the world as such this collection engages in topics from Cartesian subjectivity to Sia's live performance of Chandelier these essays provide a timely meditation on an urgent question and illuminate a path forward

Rimbaud's Impressionist Poetics Aimée Israel-Pelletier, 2012-10-15 In the mid nineteenth century Arthur Rimbaud the volatile genius of French poetry invented a language that captured the energy and visual complexity of the modern world This book explores some of the technical aspects of this language in relation to the new techniques brought forth by the Impressionist painters such as Monet Morisot and Pissarro

**Poetry at Stake** Carrie Noland, 1999-12-05 Taking seriously Guillaume Apollinaire's wager that twentieth century poets would one day mechanize poetry as modern industry has mechanized the world Carrie Noland explores poetic attempts to redefine the relationship between subjective expression and mechanical reproduction high art and the world of things Noland builds upon close readings to construct a tradition of diverse lyricists from Arthur Rimbaud Blaise Cendrars and Rene Char to contemporary performance artists Laurie Anderson and Patti Smith allied in their concern with the nature of subjectivity in an age of
