# Operation Wetback

**Juan Ramon García**

## **Operation Wetback:**

*Operation Wetback* Juan R. Garcia,1980-12-29    *Operation Wetback* Juan R. Garcia,1980-12-29    [The INS on the Line](#)  
S. Deborah Kang,2017 The INS on the Line Making Immigration Law on the US Mexico Border 1917 1954 offers a comprehensive history of the INS in the southwestern borderlands tracing the ways in which local immigration officials both made and enforced the nation's immigration laws    [LULAC, Mexican Americans, and National Policy](#) Craig A. Kaplowitz,2005-03-28 Through the dedicated intervention of LULAC and other Mexican American activist groups the understanding of civil rights in America was vastly expanded in the late 1960s and early 1970s Mexican Americans gained federal remedies for discrimination based not simply on racial but also on cultural and linguistic disadvantages Generally considered one of the more conservative ethnic political organizations LULAC had traditionally espoused nonconfrontational tactics and had insisted on the identification of Mexican Americans as white But by 1966 the changing civil rights environment new federal policies that protected minority groups and rising militancy among Mexican American youth led LULAC to seek federal protections for Mexican Americans as a distinct minority In that year LULAC joined other Mexican American groups in staging a walkout during meetings with the Equal Employment Opportunity Commission in Albuquerque In this book Craig A Kaplowitz draws on primary sources at both national and local levels to understand the federal policy arena in which the identity issues and power politics of LULAC were played out At the national level he focuses on presidential policies and politics since civil rights has been preeminently a presidential issue He also examines the internal tensions between LULAC members ethnic allegiances and their identity as American citizens which led to LULAC's attempt to be identified as white while paradoxically claiming policy benefits from the fact that Mexican Americans were treated as if they were non white This compelling study offers an important bridge between the history of social movements and the history of policy development It also provides new insight into an important group on America's multicultural stage

**Between Two Worlds** David G. Gutiérrez,1996-04 Although immigrants enter the United States from virtually every nation Mexico has long been identified in the public imagination as one of the primary sources of the economic social and political problems associated with mass migration Between Two Worlds explores the controversial issues surrounding the influx of Mexicans to America The eleven essays in this anthology provide an overview of some of the most important interpretations of the historical and contemporary dimensions of the Mexican diaspora    **They Saved the Crops** Don Mitchell,2012 At the outset of World War II California agriculture seemed to be on the cusp of change Many Californians reacting to the ravages of the Great Depression called for a radical reorientation of the highly exploitative labor relations that had allowed the state to become such a productive farming frontier But with the importation of the first braceros guest workers from Mexico hired on an emergency basis after the United States entered the war an even more intense struggle ensued over how agriculture would be conducted in the state Esteemed geographer Don Mitchell argues that by delineating

the need for cheap flexible farm labor as a problem and solving it via the importation of relatively disempowered migrant workers an alliance of growers and government actors committed the United States to an agricultural system that is in important respects still with us They Saved the Crops is a theoretically rich and stylistically innovative account of grower rapaciousness worker militancy rampant corruption and bureaucratic bias Mitchell shows that growers workers and officials confronted a series of problems that shaped and were shaped by the landscape itself For growers the problem was finding the right kind of labor at the right price at the right time Workers struggled for survival and attempted to win power in the face of economic exploitation and unremitting violence Bureaucrats tried to harness political power to meet the demands of as one put it the people whom we serve Drawing on a deep well of empirical materials from archives up and down the state Mitchell s account promises to be the definitive book about California agriculture in the turbulent decades of the mid twentieth century **The Militarization of the U.S.-Mexico Border, 1978-1992** Timothy J. Dunn,1996 Tim Dunn examines these policies and practices in detail and considers them in light of the strategy and tactics of the Pentagon doctrine of low intensity conflict Developed during the 1980s for use in Central America and elsewhere this doctrine is characterized by broad ranging provisions for establishing social control over specific civilian populations and its implementation has often been accompanied by widespread human rights violations

**Operation Wetback, 1954** Juan Ramon García,1981 **The**

**Border That Joins** Peter G. Brown,1983 Essays on migration policy issues in the USA relating to Mexican immigrants discusses the historical and current trends since 1900 theoretical background occupational structure legal status human rights impact of irrational agricultural policies and rural development crisis in Mexico benefits and disadvantages conflicting national level interests lessons from Western Europe etc and considers proposals for temporary employment programmes as an alternative to clandestine employment of irregular migrants References **Operation Wetback, 1954** Juan Ramon Garcia,1977

**"Wetbacks" and Braceros: Mexican Migrant Laborers and American Immigration Policy, 1930-1960** Nelson Gage Copp,1971 **Quest and Response** Donald R. McCoy,Richard T. Ruetten,1973 **Mexico and**

**the United States: Film in the United States - Political parties** Lee Stacy,2003 Examines the history and culture of Mexico and its relations with its neighbors to the north and east from the Spanish Conquest to the current presidency of Vicente Fox **Chicano Periodical Index ,1982** **The Eisenhower Administration and Operation Wetback, 1953-56**

Thomas C. Langham,1984 **Braceros, "wetbacks," and the Farm Labor Problem** Otey M. Scruggs,1988 **Temporary Worker Programs, Background and Issues** Library of Congress. Congressional Research Service,1980 USA

Congressional report commenting on past and present labour legislation and migration policy regarding migrant workers esp Mexicans describes historical programmes using Mexican labour supply to fill American labour demand during both world wars and after noting illegal immigration irregular migrant presents a comparison of experiences in Western Europe and considers impacts on USA employment and international relations etc Bibliography pp 121 to 144 and statistical tables

*U.S. Immigration Law and Policy, 1952-1979* Library of Congress. Congressional Research Service, United States.  
Congress. Senate. Committee on the Judiciary, 1979      **The Hands that Feed Us**, 1986      *Structuration of International Contract Labor Migration* Joon Kium Kim, 1999

## Decoding **Operation Wetback**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Operation Wetback**," a mesmerizing literary creation penned by a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
