## **My Vietnam:**

**My Vietnam War** Dave Morgan, 2014-08-05 My Vietnam War is Dave Morgan's story. A typical 20 year old he was forced into extraordinary circumstances in Vietnam. Far from his carefree youth the Vietnam War would expose Dave to an atmosphere of ever present danger and sheer terror that would impact him forever. His return to a divided Australia would isolate him further. During his service Dave wrote home to his mother from Vietnam tracking the days and the events. In 1992 after his mother passed away he found all of his letters with his own recollections and diary entries and the short stories of seven other veterans to capture the unbelievable danger and horror that these young men experienced in Vietnam. He also describes how Vietnam established life long feelings of intense loyalty, trust and mateship between the men that served there. Dave's story focuses on his time as a soldier and his return psychologically exhausted to a divided nation.

**My Vietnam** Ed Kugler, 2008-07-25 My Vietnam is a one of a kind look at the Vietnam War. In a small high school in Montana a project was begun over a decade ago. One teacher at Frenchtown High School and two veterans started what is now the Frenchtown Vietnam Symposium. There is a history class on the Vietnam War and each year in May the seniors in the class host the Symposium. They invite up to forty Vietnam War veterans to come and discuss the war their role in it and they are honored by the students. My Vietnam is a book featuring thirteen Montana veterans telling what their Vietnam was like. What makes it one of a kind is that these veterans are from all services many military occupations from Marine sniper to fighter pilot grunts and artillerymen. They cover many years of the war and they answer twenty six of the most commonly asked questions by the students each year. My Vietnam is very special heart warming and healing for all. You won't want to miss this special look at the war that shook our nation to its core.
