Information offered with verve and occasional humor fills chapters of Empress with little known details of Victoria's active rule as Empress. Adrienne Munich *Victorian Studies* This is a nuanced portrait of an empire rich in contradiction. Catherine Hall author of *Civilising Subjects* Beautifully written and subtly crafted this book provides a critical history of the cultural, political and diplomatic significance of Queen Victoria's role as Empress of India. Tristram Hunt Director of Victoria and Albert Museum This is a highly intelligent, wonderfully lucid and well researched book that rests on an impressive array of Indian as well as European sources. Linda Colley author of *Britons* *The Story of Madras* Glyn Barlow, 2019-11-27

In *The Story of Madras* Glyn Barlow intricately weaves a narrative that encapsulates the complex tapestry of Madras (now Chennai) charting its evolution from a modest fishing village to a major metropolis. Through a deft blend of historical analysis and vivid storytelling, Barlow employs a lyrical style that resonates with both scholars and general readers. The book is not just a chronological account; it captures the socio-economic transformations, cultural exchanges and colonial influences that have shaped Madras over centuries, placing it in the context of broader global historical processes. Glyn Barlow, a historian with deep roots in South Indian culture, brings a unique perspective to this work. His extensive research draws from archival sources, travel narratives and local lore, revealing an intimate understanding of the region. Barlow's commitment to exploring lesser-known narratives amplifies the voices of those often overlooked in traditional historiography, illuminating Madras's multicultural heritage and its significance within the broader Indian subcontinent. This book is essential for anyone interested in urban studies, colonial history or the rich cultural tapestry of India. Barlow's insightful observations and engaging prose invite readers to not only learn the history of Madras but also to appreciate its relevance in contemporary discussions about identity and heritage.
