**The Toolbox** Hank Leo Jr.,2016-06-17 When he finds the rusty toolbox in the corner of his garage Hank Leo is reminded of his dad and the numerous times he would contribute tools to that box From hammers and nails to tape measures and markers Hank Sr was not only adding to his son s home repair kit but to his repertoire of life management skills The Toolbox is a wonderful collection of stories that allows the reader to reminisce about their relationships with their fathers their families and God Who would have known that weekly contributions to Hank Jr s chest of tools would come to mean so much to him later in life Whether hunting with his mother in law trying to change a headlight on his car or offering comfort and support to a friend Hank finds himself taking a second and third look at the tools his father left him learning lessons from how they have worked through the ages and how their qualities and capabilities can be applied to everyday situations
