My Way Of Life:

I Can Show You the Way Life Goes Helena Faye Hill,2010-06-24 Tillie lives in her own world a world where life is all play and no work She hopes that one day she will have the family that she dreams of a family with a husband and children a family that lives in a nice house and has a nice car Now an adult reminiscing on her life she wonders what happened to her dream how her life went so horribly wrong how she hit rock bottom In her youth she had strong beliefs and convictions with a supportive group of family and friends somewhere along the way though she became lost in a world of drugs and bad choices As an adult she struggles to regain her former life and to become part of her family once again I Can Show You the Way Life Goes follows Tillie through a carefree childhood filled with many blessings through a downfall in which she believes the devil played a vital role the kind of realization that can only occur later in life when one can clearly see what went wrong As she tries to make sense of everything that has happened in her life she realizes that its never too late to turn your life around
