

MY WILDERNESS:  
East to Katahdin

William O. Douglas

This is a companion volume to *My Wilderness: The Pacific West*. This second book is a remarkable excursion through other primitive areas of our country. These primitive areas in Arizona and east in New Mexico; Hence the subtitle East to Katahdin. Here Justice Douglas travels through Colorado's Maroon Bells; the West River Mountains in Wyoming; South Fork of the Virgin River in Utah; Colorado; not far from Tucson, Arizona; Quetico-Superior in Minnesota and Canada; the Florida Everglades; the Great Smokies; Tennessee and North Carolina; the C & O Canal; along the Potomac; the White Mountains of New Hampshire; the Adirondacks and into Katahdin of Maine.

When Justice Douglas writes of a sunburnt face, the reader can feel the sting of sun and dust in his face. When he observes the tallest flower spire among a thousand others, it is with tenderness and understanding; and when he observes a wild animal looking at him, the reader is at his side observing every move of the scene.

*My Wilderness: East to Katahdin* is a remarkable blending of scientific information, the excitement of the trail, and a philosophical understanding of the intricate patterns of nature. No one since John Muir has written with such tremendous understanding and love of the present day primitive American scene as Justice Douglas.

## **My Wilderness:**

My Wilderness Maxine Scates,2021-10-12 The poems of My Wilderness often take place on the wooded hillside in Oregon where Maxine Scates has lived since the mid 1970s They chronicle how the woods which were once a refuge have turned into a landscape of change where trees once numerous are now threatened by storm and the presence of the humans who live among them These poems also engage her partner s threatening illness the death of her closest friend and the death at age one hundred of her mother an indomitable figure who led Scates through a working class childhood in Los Angeles fraught with domestic violence Grounded in the shifting borders of migrations and extinctions plant animal and human of memory and grief My Wilderness inevitably asks us to consider not only our own mortality but also our impact on the world around us Excerpt from Dear Maple Nothing will save you now unless the small branches sprouting like a halo from your eight foot stump take hold The young women at the Farmer s Market are already selling the most beautiful turnips glowing like pearls and all spring the swale of camas shone blue in the morning light How can any of us know what will save us      *My Wilderness* THE PACIFIC WEST WILLIAM O. **I Was Broken in All the Right Places** William McGee,2022-06-10 Who do we become when our untreated traumas speak on our behalf How do we address the broken places in our lives if we never recognize their existence Most people that knew me or knew of me hardly knew anything about me Born and raised in Seattle Washington I grew up with my eyes wide open to the world but my heart closed off to its humanity not because I was taught this but primarily because of the effects of untreated trauma I grew up knowing God but not experiencing Christ there is a big difference Throughout my life I was known by many things an athlete a businessman a gym rat a player an alcoholic a womanizer a violent offender But no one saw that I was broken They saw my circumstances but not my condition This book exposes and edifies what hides behind the veil of our broken pieces and what happens when those pieces go undetected I Was Broken in All the Right Places encourages us to find purpose among the pieces      **America, My Wilderness** Frederic
