Myself When Young The Shaping Of A Writer:

Myself When Young Daphne du Maurier, 2013-12-17 Both in her novels and her memoirs Daphne du Maurier revealed an ardent desire to explore her family's history. In *Myself When Young* based on diaries she kept between 1920 and 1932 du Maurier probes her own past beginning with her earliest memories and encompassing the publication of her first book and her marriage. Often painfully honest she recounts her difficult relationship with her father, her education in Paris, her early love affairs, her antipathy towards London life and her desperate ambition to succeed as a writer. The resulting self portrait is of a complex, utterly captivating young woman. An intimate view of a creative personality as richly evocative as any of her novels. *Los Angeles Times* *Myself when Young* Daphne Du Maurier, 1982
