Mystery Emmaus:

The Emmaus Mystery Carsten Peter Thiede, 2005-01-01 For centuries scholars have tried to work out where Emmaus was where in other words the risen Christ walked ate and revealed himself It is a crucial location in the map of Christian belief and one of the great missing links of Christian archaeology which has foxed excavators and biblical detectives for more than a millennium and a half Where is the true site of the astonishing event recorded by St Luke Three suggested sites have been put forward Emmaus Nicopolis which is too far from Jerusalem to fit the story and was a regional capital rather than a village Emmaus Aby Gosh which the Crusaders believed to be the true site but was not called Emmaus in the first century AD and must be ruled out Finally Emmaus El Qubeibe which was favored by the Franciscans as the true site after the 15th century but again was not called Emmaus in the first century The trail went cold long ago or so it seemed Now Thiede has produced his most dramatic find to date His work remains highly confidential and will cause a storm in the archaeological world when it is disclosed The lost site of Emmaus is rising once again from the soil Readers will be astonished by this extraordinary book

Field Hospital Catechesis Nick Wagner, 2018-01-30 If as Pope Francis says the church is a field hospital then what does it mean to care for the wounded and heal the wounds What would we do first Indeed God sends all of us especially catechists and teachers to heal the world And the first thing we have to do is this proclaim that Jesus Christ saves us This first proclamation heals the wounds of unbelievers seekers and believers alike *Field Hospital Catechesis* The Core Content for RCIA Formation explores the nine core teachings of the church that make up this first proclamation Readers will become catechists and evangelists equipped to bring healing to those around them by learning how to shift from making name only Catholics to making Catholic disciples the first thing we have to say to seekers a thoroughly Catholic understanding of evangelization how what we teach and the way we teach heals the suffering of the world and the wounds of the seekers Pope Francis s solution to what he sees as an urgent crisis in the world the true vocation of a catechist and how to live it out why only nine core teachings of the church should be the consistent focus of our catechesis how the nine core teachings of the church tell the great story of our salvation This book will radically change the way you think about RCIA formation and the task of evangelization

Enter the Story Ferder, Fran , 2014-04-10 In a delightful yet profound reading of the Scriptures *Enter the Story* opens up the central stories in the Bible and shows how they are alive in us These stories happen over and over again much like a great unfinished symphony in the lives of those of us who look to Scripture for inspiration In this sense the biblical stories are metaphors events that may have occurred long ago among biblical characters but also the same dramas great and small that happen to believers today every day Fran Ferder takes familiar stories from Scripture and shows us what the significant events or feasts in the great Christian story mean and how they continue to unfold in our lives in ways we do not expect These old stories are new stories Unfinished stories They are our stories And when we understand them they can transform our lives

Your Eucharistic Identity Gregory Pine, 2025-07-18 The

Eucharist is no mere symbol It is the key to life More specifically it is the key to your very identity When we look carefully at the Blessed Sacrament under the signs of bread and wine we discover that we were made not simply to receive God to be nourished by his gifts or to draw close to him In fact we were made to become Him In Your Eucharistic Identity Father Gregory Pine shows that Christ through the Sacrament divinizes us in our whole being But the Eucharist is not magic We have to receive the gift of his Eucharistic presence and preparing for such a great banquet requires time work and attention To become like Christ we must be ready to be given to others in a free radical gift of love Father Pine s sacramental guide to the fullness of life at once thought provoking and practical ancient and new offers Christians a simple clear guide for their path
