beauty of God's work Everywhere you gaze the awesome wonder of His unmatched skills of creation are revealed Observe the varied bouquets of wildflowers in Spring and the colorful palette of leaves in Autumn Listen to the ocean's roar and watch the eagle soar At God's beckoning Summer brings a bright orange sunrise with its welcome warmth During the day he hangs white clouds in an azure blue sky and in the evening he paints stars by the millions for all to admire He spreads seashells of every kind color and shape along the shoreline and fills the air with the scent of sea air At dawning He awakens the creatures of night for them to witness the dew in the meadow and then He leads them to a stream to taste the pure cold water We often overlook such displays and rarely consider why or how they are sent our way Make this the day that you give thanks to God for His countless gifts and blessings
