Mystery of the Kingdom is a refreshing Bible study on the Gospel of Matthew that focuses on the kingdom of God. Why is the kingdom at the heart of Jesus' teaching? What were Jesus' contemporaries expecting? What did Jesus actually say about His kingdom? What is the relationship between the kingdom and the Catholic Church we see today? Join popular Scripture professor Edward P. Sri for a faithful exploration of Jesus' kingdom building mission. Sri's accessible style and provocative study questions make this book ideal for individual or group study. About the Series: The Kingdom studies explore the teaching and mission of Jesus Christ as revealed in the New Testament and carried on by His Church. Solid, trustworthy content in language anyone can appreciate.      **The Mystery Of The Kingdom: Traced Through The Four Books Of Kings** Andrew Jukes, 2024-07-29

*The Mystery of the Kingdom Traced Through the Four Books of Kings* by Andrew Jukes offers a profound and insightful exploration into the spiritual significance and deeper meanings of the biblical Books of Kings. Jukes, a renowned theologian and biblical scholar, guides readers through a meticulous analysis of these ancient texts, uncovering the divine mysteries and theological lessons embedded within the historical narratives. In this compelling work, Jukes traces the unfolding of God's kingdom as revealed through the reigns of Israel's and Judah's kings. He delves into the lives, actions, and decisions of these monarchs, highlighting how their stories reflect broader spiritual truths and the overarching plan of God for His people. The book provides a detailed examination of key events such as the division of the kingdom, the rise and fall of dynasties, and the prophetic messages delivered by God's chosen messengers. Jukes' interpretation goes beyond mere historical recounting, offering readers a deeper understanding of the symbolic and prophetic dimensions of the Books of Kings. He draws connections between the ancient texts and the spiritual journey of believers, illustrating how the successes and failures of the kings serve as lessons for faith, obedience, and the pursuit of God's will. *The Mystery of the Kingdom* is enriched by Jukes' eloquent writing and his ability to illuminate complex theological concepts with clarity and depth. His insights encourage readers to reflect on the nature of God's kingdom, the role of leadership, and the importance of fidelity to divine principles. This book is a valuable resource for theologians, biblical scholars, and anyone seeking to deepen their understanding of the Bible's historical books. *The Mystery of the Kingdom Traced Through the Four Books of Kings* offers a thought-provoking journey into the heart of biblical history, revealing the timeless truths that continue to inspire and guide the faithful today.      *Mystery of the Kingdom of Heaven* Deborah Bouchard, 2014-12-23

Mystery of the Kingdom** Steven Lambert,Steven Lambert Thd,2014-03-03 The Mystery of the Kingdom is a verse by verse exposition of what Jesus Himself identified as The Paramount Parable The Parable of the Sower Unpacked as it is by the author this book is a virtual Christianity 101 in that it puts the entire big picture of the Christian experience and life into proper perspective unveils many insights into the how the Kingdom of God operates on earth and answers many common questions regarding God and the Kingdom of God Its subtitle Bearing Kingdom Fruit reflects the book s and the Parable s ultimate message The medium through which that message is conveyed The Parable of the Sower is what Jesus Himself indicated is the most important of all His Parables In it He delineates the four categories of hearers of the Word of God

According to the Parable everyone who has ever heard the Word of God falls into one of these four categories and thereby chooses their own future and eternal destiny Dr Lambert unveils in the volume the four step path of progressive spiritual growth revealed in this dark saying parable of the Master The most profound and intriguing hidden pearl inherent in the rich and ingenious Parable however is the spiritually appraised secret of how the entire Kingdom of God operates and how every believer can bear Kingdom fruit in his her own life And indeed as of Scripture is that bearing Kingdom fruit is by no means optional but rather absolutely imperative Why do bad things happen to good people If there is a God who loves us so much why does He allow such evil and adverse things to happen and continue to exist in the world Who is the true author of evil and adversity in the world Why is there so much suffering in the world and even for Christians When Christians experience adversity does it mean they are doing something wrong or that it is happening because they are sinners Is adversity a sign of sin and judgment from God Is there really a real live devil If Satan exists should Christians just ignore him and act as if he doesn't exist Didn't Jesus defeat the devil If so why is spiritual warfare really necessary Is a Christian's salvation eternally secure or can he she fall away and lose his her salvation What is Kingdom fruit and how does one produce it in their own life How important is it to bear Kingdom fruit What is the consequence if we don't These are all questions commonly asked by believers and unbelievers alike The Mystery of the Kingdom offers definitive and straightforward answers to all these age old questions right out of the Word of God By demystifying many of the conundrums of life The Mystery of the Kingdom will bring you new inward peace rest and faith and in the process quench the psychological and emotional fiery darts with which the evil one assails all believers It will also arm you with added ammunition for quelling the sometimes hostile questionings and criticisms of the unbelieving Regardless of how long you've been a believer you are guaranteed to gain new insights from this book that will have a powerful and enduring impact upon your life Those who have known the Lord for a while will also be reminded of many vital concepts and precepts concerning the Kingdom of God and our Heavenly Father's gracious and exceeding love for us The inspiring and empowering message unfurled upon the pages of The Mystery of the Kingdom is a tremendous evangelizing source Once you've read and experienced it for yourself you will then be impelled or even compelled to sow it into the lives of loved ones and those you are praying will receive the Lord Jesus Christ into their hearts and lives

Mystery of the Keys of the Kingdom Deborah Bouchard, 2021-07 Keys are an important part of our lives I once heard someone say that the more keys you hold the more power you have I don't know about that but those keys give you access into locked places that keeps everyone else out This book will reveal a mystery that in my mind will open the locked understanding of what Jesus was telling Peter in Matthew 16:19 when He said I will give you the keys of the kingdom of heaven and whatever you bind on earth will be bound in heaven and whatever you loose on earth will be loosed in heaven There are two important words in what Jesus told Peter They are keys of Jesus was about to depart from earth through His crucifixion death and resurrection He wanted to leave not only His disciples but all believers with tools or weapons to defeat

the strategies of Satan He delivered them to the disciples when He declared them to Peter He said I will give you the keys of the Kingdom That is much different than keys to the kingdom Jesus is the Key to the kingdom But the keys of the kingdom are important to know In this book you will find five very important keys to fight in the spirit realm The rest of the paragraph is fine You may have known about them but putting these simple but extremely important tools in your toolbox will help you to live the life Jesus said in John 10 10 I have come that they may have life and that they may have it more abundantly
