The MYSTIC MANDRAKE

The History of the Man-
drake from Early Times...

The Mandrake is a very mysterious root which on account of its resemblance to the human form was believed to possess occult properties which could cause it to become animated. On account of its potency, it was much sought after by magicians, but as it could not be uprooted without danger of death, a dog was tied to the root. When pulled, the root would give a shriek, and the dog would immediately fall dead. *This book is a careful and exhaustive study of this weird subject.*
