Mystic Union:

Mystic Union Nelson Pike,1992 What is it to experience union with God In this highly original and accessible book one of our leading philosophers of religion seeks to answer this question by analyzing the several states of mystic union as they are described and explained in the classical primary literature of the Christian mystical tradition *Difference Dissolved*

Spencer Perdriau,2014-08-15 You don t need to be a prophet holy man saint or messiah to attain Mystic Union If Unity were not attainable by ordinary man then none of us would have the ability to realize The Eternal Spiritual Mystical Unity is open and available to all regardless of belief or religious preference This is the self realized universal ideal of contemporary mystic

Spencer Perdriau In a world that has become so focused on distinction and difference what we need now is collective not personal experience and realization of the underlying Essence that pervades and unifies us all equally That Essence is everywhere and ever present It is the foundation of everything and is the same for us all We may appear separate and different at the surface of life but our essence and foundation is the same and connects us all We are all made of the same stuff of reality and we all exist within the same ocean of reality no matter how different we take it If we all had a glimpse of our essential foundation Our Ultimate Identity that collective realization would create far more peace and equality in our world which so desperately yearns for that remembering and restoration of Unity This little book is devoted to sharing and inspiring all who have a deep yearning and passion for That In the realization of our Greater Self prejudice and difference dissolves and in that awareness and understanding of our Greater Unity compassion peace and equality has room to flourish once more *Difference Dissolved*
