Mysticism And Dissent:

Mysticism and Dissent Steven E. Ozment,1973-01-01 [Mysticism and Dissent](#) Mangol Bayat,2000-04-01 This history examines the complex origins of religious dissent in 19th century Qajar Iran known to Westerners as Persia and how it provided a mood and attitude which led to far reaching political dissent culminating in the establishment of a new government in 1906

[Between the 'Mysticism of Politics' and the 'Politics of Mysticism'](#) David Ranson,2013-08-31 Between the Politics of Mysticism and the Mysticism of Politics traces the dialectic of the mystical and the political from both a theological and an historical perspective It presents the dialectic as a hermeneutic for the rise of the new ecclesial communities within the Roman Catholic Tradition and suggests it as the framework by which a trajectory for Christian holiness might emerge in the 21st century

The Reformation of the Heart Sarah Apetrei,2023-12-19 The Reformation of the Heart Gender and Radical Theology in the English Revolution offers fresh insight into the relationship between radical theology and gender radicalism in the English Revolution It addresses together two themes which have long fascinated historians of the period the intellectual formation of religious radicalism and the prominence of women as prophets and preachers in radical sects Sarah Apetrei explores the remarkable ideas and reforming visions of a levelling and highly mystical network in the period of civil conflict the regicide and its aftermath a network which linked military chaplains with inspired women and congregations across England Drawing on both printed works and previously unexamined manuscript evidence Apetrei discovers that revolutionary radicals were both more theologically daring and more unified in their support for women s participation than we have hitherto thought On one side the army chaplains and radical preachers developed a highly original theology of gender conceiving of a female principle in the Godhead They were also explicit advocates of women s preaching to an extent previously unacknowledged Concomitantly women s involvement in preaching and publishing during this period of crisis fostered innovative thinking In a climate in which Reformed teachings about the limits of election were being reasserted women were pioneers in teaching the doctrine of universal salvation or general redemption Female theologians and visionaries also played a prominent part in the dissemination of ideas drawn from European radical reformations and condemned by the magisterial churches about the heavenly flesh of Christ and its appearance in the bodies of the saints in the last days They used highly feminized maternal imagery to discuss Christ As such this book also contributes to feminist epistemology It shows how as a group with distinctive experiences priorities and cultural identities the involvement of women in religious reform and the conception of ideas can be truly transformative

Fragile Resistance John Foran,2019-04-09 This book analyzes the processes of social transformation in Iran from the height of the country s power in the sixteenth and seventeenth centuries under the Safavid dynasty to the aftermath of the startling revolution that overthrew the Pahlavi monarchy in 1979

[ההשׁגחה וההשׁגחה: יהדות ספרן ופורטוגל בימי הביניים](#) :ההשׁגחה יהודים ספרן ופורטוגל Haim Beinart,1991 A collection of 18 articles most of them dealing with the Jews of medieval Spain and Portugal an

area of Jewish history in which Prof Beinart is a world renowned expert Eight of the articles are in English seven in Spanish and three in French Among the articles are Hope against Hope Jewish and Christian Messianic Expectations in the Late Middle Ages David B Ruderman Daniel Rodriga and the First Decade of the Jewish Merchants of Venice Benjamin Ravid Mr Pepys Contacts with the Spanish and Portugese Jews of London Richard D Barnett *Mysticism and the Early South German-Austrian Anabaptist Movement, 1525-1531* Werner O. Packull,1977 Werner Packull delineates more clearly than any previous scholar the theological and spiritual differences between South German and Swiss Anabaptist He examines thoroughly the dominant medieval mystical influence in the thought of Denck and Hut and the latter s immediate South German Anabaptist followers Indeed Packull decides that South German Anabaptism derives more from medieval mysticism than from the Reformation Packull is convincing in his demonstration of this thesis because of his meticulous care in reading the primary sources and because he examines and refutes the arguments of those who would place the Protestant influence as the primary one He carefully isolates and explains particular ideas of the medieval mystics and demonstrates their influence on Denck and Hut Packull expands and elaborates the earlier suggestions of Kiwiet and Williams both of whom postulated a discrete Anabaptism in South Germany as against that of Switzerland He draws on the more recent and still unpublished work of Gottfried Seebass especially on Seebass selection of writings which he ascribes to Hut Packull s second major thesis is that the earliest form of South German Anabaptism was transitional both sociologically and theologically He demonstrates that there were indeed strains of Anabaptism which were not as clearly Biblicist in emphasis as the one in Zurich Packull s work makes the phenomenon of early Anabaptism more complex less uniform but historically more accurate more in line with the realities of the religious ferment of the 1520s among German speaking people Publisher *Holy Dissent* Glenn Dynner,2011-10-15 Jewish and Christian studies scholars as well as historians of Eastern Europe will benefit from the analysis of Holy Dissent *Western Mysticism* ,1978 The study of human consciousness and its relationship to our lives and needs ahs aroused a great deal of interest in today s world This interest extends into many areas of religion philosophy psychology sociology and literature Part of this trend is a renewed interest in mysticism most of which has been directed toward Oriental mysticism However many people are unaware of the rich and vital mystical tradition Western culture has to offer The purpose of this bibliography is to help create a deeper awareness of Western mysticism From the preface *Radical America* ,1990 **Studies in Anabaptist and Mennonite History** ,1977 *Mystics Quarterly* ,1983

Mysticism: a Select Bibliography ,1973 *Martyrdom, Mysticism and Dissent* Asghar Seyed-Gohrab,2021-08-23 This book is the first extensive research on the role of poetry during the Iranian Revolution 1979 and the Iran Iraq War 1980 1988 How can poetry especially peaceful medieval Sufi poems be applied to exalt violence to present death as martyrdom and to process war traumas Examining poetry by both Islamic revolutionary and established dissident poets it demonstrates how poetry spurs people to action even leading them to sacrifice their lives The book s originality lies in fresh analyses of how

themes such as martyrdom and violence and mystical themes such as love and wine are integrated in a vehemently political context while showing how Shiite ritual such as the pilgrimage to Mecca clash with Saudi Wahhabi appreciations A distinguishing quality of the book is its examination of how martyrdom was instilled in the minds of Iranians through poetry employing Sufi themes motifs and doctrines to justify death Such inculcation proved effective in mobilising people to the front ready to sacrifice their lives As such the book is a must for readers interested in Iranian culture and history in Sufi poetry in martyrdom and war poetry Those involved with Middle Eastern Studies Iranian Studies Literary Studies Political Philosophy and Religious Studies will benefit from this book From his own memories and expert research the author gives us a ravishing account of a poetry stained with blood violence and death His brilliantly layered analysis of modern Persian poetry shows how it integrates political and religious ideology and motivational propaganda with age old mystical themes for the most traumatic of times for Iran Alan Williams Research Professor of Iranian Studies University of Manchester When Asghar Seyed Gohrab a highly prolific academician publishes a new book you can be certain he has paid attention to an exciting and largely unexplored subject Martyrdom Mysticism and Dissent The Poetry of the 1979 Iranian Revolution and the Iran Iraq War 1980 1988 is no exception in the sense that he combines a few different cultural religious mystic and political aspects of Iranian life to present a vivid picture and thorough analysis of the development and effect of what became known as the revolutionary poetry of the late 1970s and early 1980s This time he has even enriched his narrative by inserting his voice into his analysis It is a thoughtful book and a fantastic read Professor Kamran Talattof University of Arizona

Dissent, in Its Relation to the Church of England George Herbert Curteis,1897 **Newsletter on the Fourteenth-century English Mystics** ,1974 **The Harvest of Mysticism in Medieval Germany (1300-1500)** Bernard McGinn,2005 The fourth volume in the universally acclaimed The Presence of God series The Harvest of Mysticismis a tour de force study of medieval German mysticism from Thomas Aquinas and his master Albert the Great to Cardinal Nicholas of Cusa and including Jan van Ruusbroeck Meister Eckhart and John Tauler **The Concept of Grace in the Radical Reformation** Alvin J.
