Methodism did not function in a void It was carrying out its mission in an environment charged with dynamic change To fully understand the history of Methodism in Southern California one has to find a way to allow one s mind to alter as far as possible into the conditions and events of the period As we are so keenly aware today these circumstances determine the success or failure of the church to carry out its mission While Methodism was an early arrival in California within fifty years the environment was changing to one that was highly competitive In addition the political environment was changing to a more conservative one while Methodism s leadership and ministerial training of its clergy were more liberal Added to these external complexities there were internal difficulties unique to Methodism that needed to be resolved The task ahead is to examine the challenges and accomplishments of California Pacific Conference from 1945 to the present

**Viral** Leonard Sweet,2012-03-13 The gospel is nothing without relationship And no one gets it like the Google Generation God came to earth to invite us personally into a relationship And while Christians at times downplay relationships the social media generation is completely sold on the idea In Viral Leonard Sweet says Christians need to learn about connecting with others from the experts those who can t seem to stop texting IM ing tweeting and updating their Facebook statuses What would happen he asks if Christians devoted less attention to strategies and statistics and paid more attention to pursuing relationships The current generation is driven by a God given desire to know others and to be known by others Most of them in seeking to connect in meaningful ways have found a place of belonging that is outside the organized church Why not bring the two together Those who are sold out to relationships can teach Christians how to be better friends to people who need God At the same time members of the social media generation can learn how to follow their desire for belonging straight into the arms of God It s time for relationship to be restored to the heart of the gospel And
