## **Wartime Summer** Caroline

Taggart,2020-04-30 We take summer holidays for granted but back in the 1940s the picture was very different War had gripped Britain Wave after wave of bombs fell beaches were closed off and petrol was rationed by the forbidding question Is your journey really necessary But the summer days with double summer time seemed to go on forever war or no war and British families were determined to make the best of their paralyzed country For evacuated children this meant freedom that is unimaginable today wandering at will discovering wildlife in fields and ponds foraging from orchards and hedgerows and swimming in the streams Elsewhere country estates were requisitioned for the war efforts the tennis courts given over for training and the Lord and Lady of the manor sent packing Dances attracted people from all walks of life from ballroom dances to the thrill of the arrival of the GIs and the jitterbug But the shadow of war was never far away the evacuation of Dunkirk in 1940 and the D Day Landings in 1944 took place in June with unreliable summer weather playing a part in both In this book Caroline Taggart shows us how Britons succeeded in keeping up spirits in spite of the constant devastation of battle It is a revealing and entertaining collection of first hand reminiscences from people who lived through those six long years

Touching tragic occasionally hilarious it shows the British soldiering on as best they could
