Exposing The Veil C. D Palos, 2018-12-31 A collection of short stories and poems as my father told them to me based on parts of his life David Palos and his life of Love War and Heartache and his memories of the aforementioned My father David was born in Tehachapi California in 1969 and grew up in Bakersfield California where he happily resides He was my inspiration to publish this collection because of the interesting stories he always told me and others and how he held the interest of all around him My father s stories are from the heart I only hope in my writing that I can do them justice

Garden Devotions Betsy Davies, 2024-08-15 God s love and life s hardships are evident in our backyard gardens From the transformation of seeds through battles with weeds to the use of the fruit gardens are an apt metaphor for the Christian life Betsy Davies walks us through the seasons and the lessons she learns through each of them No matter what is happening in her garden transformation growth weeds predators fruit or no fruit Betsy relates how they reflect scripture and what we can learn about the nature of God and his love for us Betsy also shares her struggles to garden alone after her husband s death Together they planted tended and harvested gardens for thirty years Her grief and her efforts to continue the garden are poignant reminders of God s call for us to persevere You don t need to be a gardener to relate to the stories Betsy tells If you have ever planted a seed watered a plant or picked a flower you are aware of the wonder evident in growing plants If you have ever sat under a tree you can related to God s providence through nature Join Betsy as she shares what she has learned in the garden In her new book Garden Devotions Betsy Davies gives readers inspiring paths to growth through her experiences in tilling the soil and relating that to enriching words from Scripture I was encouraged and rewarded by her analogies and I think you will be as well Etta Wilson Agent and Editor Recently I stumbled across the phrase Seeds for Growth and could not imagine a more fitting depiction for Garden Devotions If you are willing to be challenged to grow in your faith be uncomfortable a bit achy messy and dirty then you have stumbled into the perfect garden Thank you Betsy for this inspiring devotional which has meant more than you can possibly know to so many Ellie Billington Elder First Presbyterian Church Nashville TN

My True Life in Short Stories Mariette Guenette, 2017-12-12

From a very humble beginning filled with hardships the sixth child in a family of fourteen I was born on a small impoverished farm on the Gasp Peninsula in Quebec Canada just a tiny dot on the map as I say and had a very unusual and fulfilled life Living in ten major Canadian and us cities always accidentally I met unforgettable people such as a Roman Catholic Cardinal Representatives of Governments in Canada the Governor of Florida as well as meeting internationally known singers such as Elvis Presley and Julio Iglesias a WWII naval officer hockey players wrestlers and many more prominent people I lived through illnesses three earthquakes car accidents robberies at gun point and knife point the Italian and Cuban exoduses and through the 9 11 collapse of the Twin Towers by the terrorists in ny In my youth I even realized my dream of skydiving I dedicate this book to Dr Maria Pedro for saving my life in 2013 without whom there would not be a book to leave as my legacy to future generations and to my dear sister Fran oise who is always there for me **The Black Diamond** ,1905

Environmentalism and Contemporary Heterotopia Tom Bowers,2022-05-16 A 2023 Choice Reviews Outstanding Academic Title Where is the space for contemporary environmentalism when both the utopian promises of a clean and pure earthly Eden and the dystopian prophecies of an environmental apocalypse have failed to be fully realized As this book argues rather than falling into one of these familiar environmental categories contemporary space is configured as heterotopia as in between spaces of dissonance where encounters with waste are a daily occurrence and where dirty matter refuses to submit to human demands and intentions Through an exploration of a series of spaces in which acts of leisure and recreation are configured alongside vibrant dirty matter Tom Bowers explores how contemporary heterotopia offers entanglements with a dirty other that promote novel opportunities for humans to ethically respond and be responsible to the continued presence of waste and to generate a sense of ecological care for a dirty world In doing so the book urges readers away from a utopian vision of what the environment should be and instead asks how we can ethically exist within and around the dirtied environment as it is This book will be of interest to scholars of cultural studies environmental rhetorics and environmental ethics **Publication - Botanical Society of Western Pennsylvania** Botanical Society of Western
